Subject: Dutch Flohr Neighborhood Park Bid opening

Project# C02461

Date: 02/26/2025

Dear Sir/Madam

Regarding our bid on the project Dutch Flohr Neighborhood Park, we noticed that there are two mistakes in the calculations:

1. For the item Curb and Gutter (Linear Foot), instead of 400 LF it was written 1 in the quantity column which brings the total amount for this item to \$200.

Wrong calculation:

ITEM	Qty	unit	Unit price	TOTAL
Curb and Gutter (Linear Foot)	1	lf	200	200

Correct calculation:

ITEM	Qty	unit	Unit price	TOTAL
Curb and Gutter (Linear Foot)	400	lf	200	80,000

2. For the item Irrigation (linear foot), instead of \$50 for the unit price it was mistakenly put \$5 which brings the total price of this item to \$18,935.

Wrong calculation:

ITEM	Qty	unit	Unit price	TOTAL
Irrigation (Linear Foot)	3787	lf	5	18,935

Correct calculation:

ITEM	Qty	unit	Unit price	TOTAL
Irrigation (Linear Foot)	3787	lf	50	189,350

After correcting these mistakes our total bid value is \$950,215 (nine hundred fifty thousand two hundred fifteen).

I would like to mention that we are capable and interested in working this project with the corrected value. Other wise we would like to withdraw our bid from this bidding.

We are greatly regretful for the mistakes and any inconvenience it caused to you.

Sincerely,

Abdul Rashid Pirooz
