14. PUBLIC COMMENT ON NON-AGENDA MATTERS

15. REPORT ITEMS

- 15.1** REPORT - APPROVAL OF RATE INCREASE OF 3.4% FOR RESIDENTS OF THE CITY OF SANTA ROSA WHO UTILIZE RECOLOGY SANTA ROSA (RECOLOGY SONOMA MARIN), EFFECTIVE JANUARY 1, 2025

BACKGROUND: The City of Santa Rosa grants Recology Sonoma Marin (Recology) an exclusive franchise agreement for the collection and hauling of solid waste, including the three main streams of recycling, landfill, and organic waste. The City awarded this agreement to Recology Sonoma Marin in November of 2017 through a competitive process. Any rate increase for Santa Rosa Recology customers is subject to City oversight. Staff requested a detailed rate review to ensure Recology is appropriately compensated, but also to ensure Santa Rosa's residents' refuse rates are competitive.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by motion, approve a 3.4% rate increase for City of Santa Rosa customers of Recology Sonoma Marin effective January 1, 2025.

Dan Hennessey, Director - Transportation and Public Works, and Shawn Kara, Zero Waste Coordinator presented and answered questions from Council.

No public comments were made.

Absent: 1 - Council Member Jeff Okrepkie

15.2 REPORT - AFFORDABLE HOUSING CAPITAL FACILITIES FEE PILOT PROGRAM

BACKGROUND: Development impact fees provide a mechanism for new development projects to contribute financially to the cost of improving and expanding the public infrastructure and facilities needed to accommodate that development. Impact fees are commonly used by local agencies throughout California and in many other states as one of many funding sources for capital improvement programs. Impact fees are a one-time, non-recurring revenue source that is typically collected at the completion of a private development project. While development impact fees are necessary to support public infrastructure, the payment of impact fees may constitute a barrier for the construction of affordable housing. The Planning and Economic Development Department has analyzed the existing impact fee program, progress of housing development, and researched other jurisdictions' responses to this issue, and will present the Affordable Housing Capital Facilities Fee Pilot Program. The program proposes to set the Capital Facilities Fee for certain deed restricted affordable units to zero dollars for a limited period of time to encourage affordable housing development and achievement of the City's Regional Housing Needs Allocation requirements.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by resolution, adopt an Affordable Housing Capital Facilities Fee Pilot Program reducing the Capital Facilities Fee for certain deed restricted affordable residential unit types to encourage the near-term development of specific affordable housing units needed to comply with the Regional Housing Needs Allocation.

Gabe Osburn, Director - Planning and Economic Development, presented and answered questions from Council.

16.2 PUBLIC HEARING - RESILIENT CITY MUNICIPAL CODE TEXT AND ZONING MAP AMENDMENTS

BACKGROUND: The Resilient City (-RC) Combining District was created on October 24, 2017, through an Urgency Ordinance. The Resilient City Development Measures were adopted as an Ordinance on May 11, 2018. Both ordinances were extended to December 31, 2024 to allow staff time to complete a comprehensive update and

recommendations. This Zoning Code Text and Map Amendment includes multiple changes across the Zoning Code to incorporate both ordinances and new updates without a sunset date.

RECOMMENDATION: It is recommended by the Planning Commission and the Planning and Economic Development Department that the Council introduce three separate ordinances: 1) amending Title 20 of the Santa Rosa City Code to add Chapter 20-35 Resilient City Measures, Remove Chapter 20-16 Resilient City Development Measures, implement multiple sections of Chapter 20-16 into applicable Zoning Code sections, update multiple sections of the Zoning Code, and remove Section 20-28.100 Resilient City (RC) Combining District; 2) adopting a Zoning Map Amendment to reclassify 8,383 parcels to remove the Resilient City (-RC) Combining District in order to expand and implement Santa Rosa resiliency initiatives; and 3) amending Title 19 - Subdivisions of the Santa Rosa City Code to add the first and second Tubbs/Nuns Fire tentative map extensions.
