MESSAGE FROM CHIEF CREGAN: INTRODUCING “THE CHIEF’S CORNER”

As your Chief of Police, I am committed to transparency, communication, and building trust with every member of our community. Today, I’m excited to introduce a new initiative that reflects those values: The Chief’s Corner. The Chief’s Corner will be a regular feature accompanying our Beat Newsletters, offering a broader perspective on what’s happening across the Santa Rosa Police Department and the city as a whole. While the Beat Newsletters provide valuable updates specific to your neighborhoods, The Chief’s Corner will focus on city-wide trends, department-wide initiatives, and key data that impact all of us.

This new platform will allow me to share important updates directly with you — whether it’s about crime trends, traffic safety efforts, community engagement programs, or new technologies we’re implementing to better serve Santa Rosa. It’s also a space where I’ll highlight the incredible work being done by our officers
