Environmental Review

California Environmental Quality Act (CEQA)

- Initial Study/Mitigated Negative Declaration (IS/MND) adopted on October 24, 2013
- Addendum to the 2013 IS/MND prepared for this Project
- Mitigation measures related to:
 - Air Quality
 - Biological Resources
 - Geology and Soils
 - Noise

Concerns expressed:

- Number of existing gas stations in the area
- Governor's Executive Order directing that no new gas-powered cars be sold beyond 2035
- City Council Climate Emergency Declaration
- Public availability of Admin Draft CEQA documents
- Sonoma County jurisdictions prohibition on new gas stations
- Prevalence of violent crime at gas stations
- Site specific biological impacts

It is recommended by Planning and Economic Development Department that the Planning Commission, by two resolutions:

- Approve an Addendum to the 2013 Elm Tree Station IS/MND
- Approve a Major Conditional Use Permit for the operation of a gas station with extended hours of operation, two general retail land uses, and one apartment unit
