

Greenway Connectivity Study

Issue to be solved: There is a walking/biking gap between the regional trails west of downtown and the future Southeast Greenway to the east of Montgomery High School

Goal: Figure out how to close this gap with community input, resulting in an entire east/west walking and biking connection across Santa Rosa

Santa Rosa Creek Trail

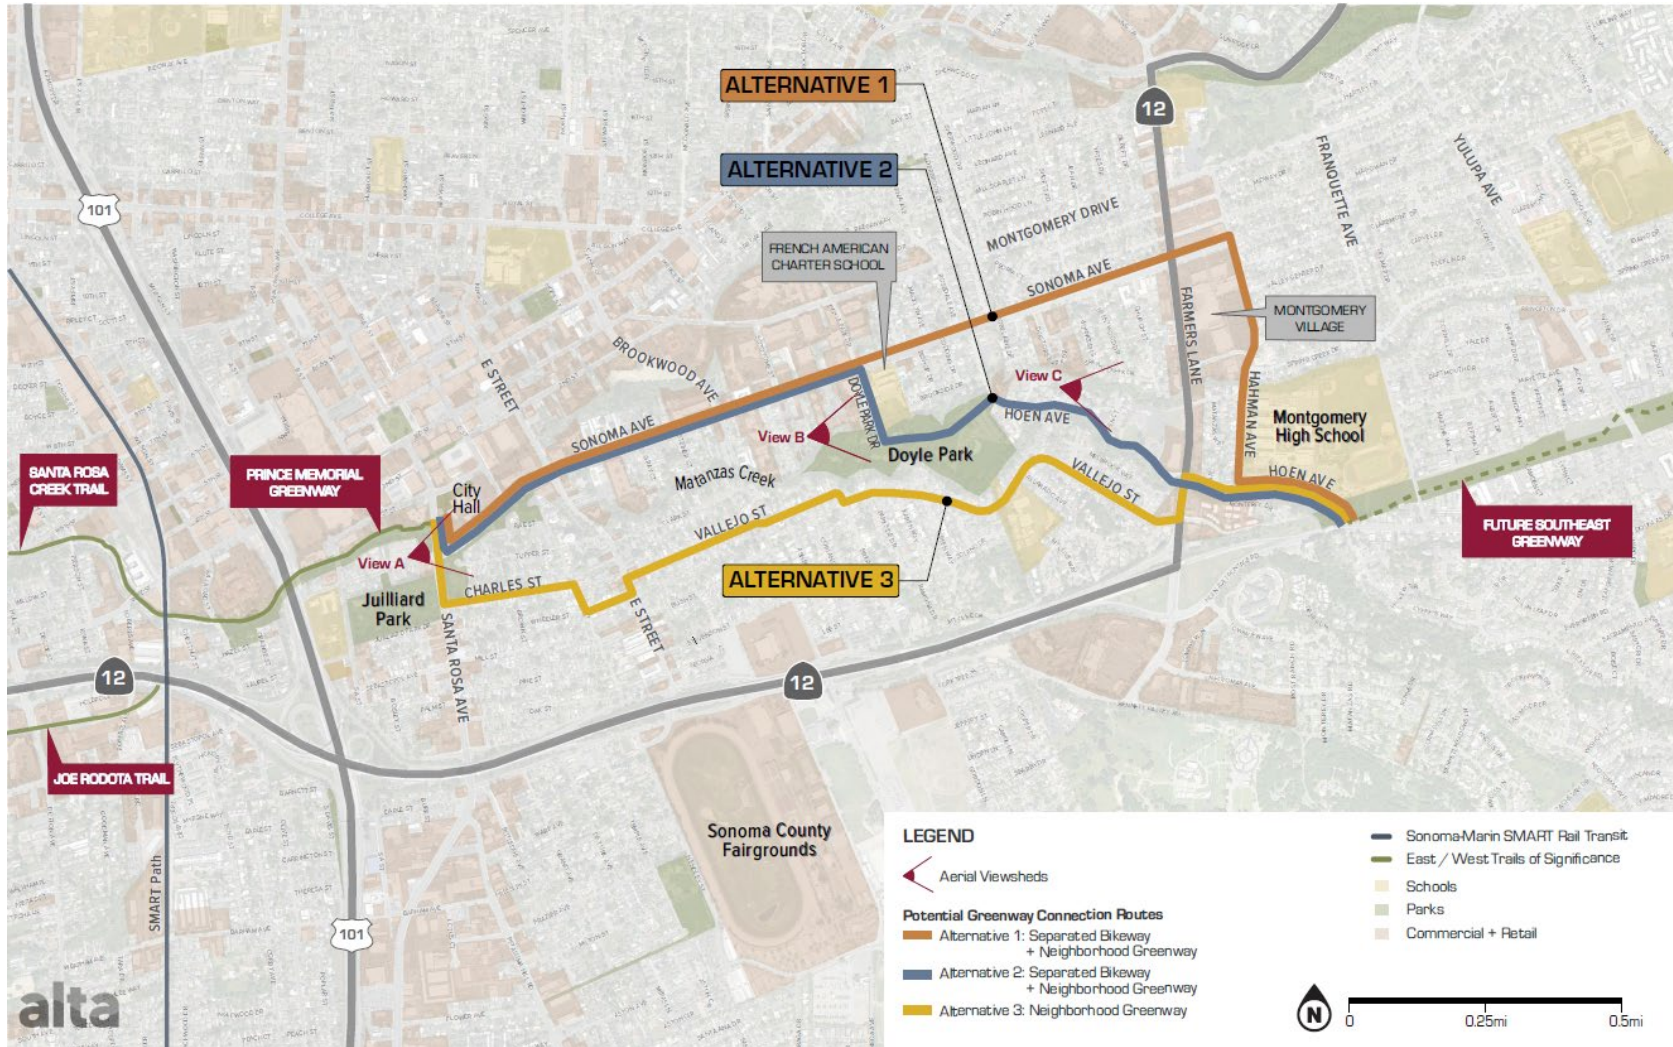

Joe Rodota Trail

Prince Memorial Greenway

Southeast Greenway Trail (future)*

Sonoma Land Trust and Latino Service Providers are close partners on this project!

Three Project Alternatives

Sonoma Avenue Facing East

Doyle Park Facing East

Bobelaine Drive Facing East

Sonoma Avenue Parking Protected Bike Lane

Doyle Park

Vallejo Street Neighborhood Greenway

Outreach Being Done

- Online Survey
- 7 pop-up events
- 1 community bike ride
- 1 in-person workshop
- 5 advisory body meetings
- Focus groups:
 - Montgomery High School
 - Elementary and middle school
 - Representatives from community groups serving the disabled community
 - Southeast Greenway Campaign
 - Latino Service Providers

**Greenway to Greenway
Community Ride!**

The City is considering options for a bicycle-pedestrian connection between Prince Memorial Greenway and the future Southeast Greenway. Join this ride, hosted by City staff, to explore the options and share your thoughts!

Saturday, July 11th • 10 am – 12 pm

Meet at Prince Gateway Park. All ages and abilities invited. Route is flat and will span approximately 4 miles and will take about 2 hours. Optional group lunch afterwards to eat among friends!

The poster features a map of the city with three proposed routes labeled ALTERNATIVE 1, ALTERNATIVE 2, and ALTERNATIVE 3. Key landmarks include Prince Memorial Greenway, Julliard Park, Doyle Park, Montgomery High School, and Future Southeast Greenway. A photograph of two young boys on bicycles is in the top right, and a photo of a person on a bicycle is in the bottom left.
