period during which to draft and finalize the DDA and bring it back to Council in open session for approval.

PRIOR CITY COUNCIL REVIEW

On September 12, 2023, the City Council, by Resolution No. RES-2023-162: 1) approved entering into an Exclusive Negotiation Agreement with Developer for the potential disposition and development of the Property, 2) authorized the City Manager to execute an Exclusive Negotiation Agreement and any amendments thereto, subject to approval as to form by the City Attorney's Office; and 3) directed staff to initiate negotiations to enter into a Disposition and Development Agreement for the Property.

ANALYSIS

The City and Rogal entered into an ENA dated September 14, 2023. The initial period of the ENA ran for ninety (90) days, and was extended by the City Manager pursuant to the First Amendment to Exclusive Negotiation Agreement dated December 12, 2023, for an additional 90 days, in accordance with the terms of the ENA. The parties reached an agreement on the term sheet by the deadline set forth in the ENA and are now within the remaining sixty day negotiation period, during which the parties must prepare a mutually acceptable Disposition and Development Agreement ("DDA") for consideration and action by the Council. The parties are seeking an additional ninety (90) day extension in order to accomplish this task. Once a tentative agreement has been reached, the DDA will be brought to Council in open session for approval.
