16. PUBLIC HEARINGS

16.1 PUBLIC HEARING - LANDMARK ALTERATION PROCESS IMPROVEMENTS AND CULTURAL HERITAGE BOARD AND DESIGN REVIEW BOARD CONSOLIDATION

BACKGROUND: City staff has been analyzing possible streamlining

measures for the Landmark Alteration (LMA) Permit process, which provides for the review and permitting of renovations and rehabilitation of properties within the City's Preservation Districts and for designated landmarks. The City has also been reviewing the Cultural Heritage Board (CHB) and Design Review Board (DRB) composition and duties to determine if they could be consolidated to address City resources and redundancy. On November 7, 2024, the Design Review Board held a Study Session and provided comments on the draft amendments. On December 12, 2024, the Planning Commission unanimously adopted a resolution recommending that the City Council amend the Zoning and Municipal Codes to streamline the LMA Permit process and consolidate the CHB and DRB into a single Design Review and Preservation Board (DRPB). As part of the proposed amendments, staff is also recommending that the Council amend the Design Guidelines to replace all references to the two existing Boards with a reference to the single DRPB, and to amend Council Policy 000-06 to establish the DRPB member appointments by the full Council. Finally, staff is recommending that the Council amend the City's Fee Schedule to add a fee for Director Level LMA Permits, and to consider reduced fees for homeowner submitted LMA Permits. The proposed changes have been designed to streamline the process and provide for enhancement of the City's preservation efforts.

RECOMMENDATION: It is recommended by the Planning Commission and the Planning and Economic Development Department that the Council by one ordinance and three resolutions: 1) introduce an Ordinance to address streamlining and process improvements for the Landmark Alteration Permit process and to consolidate the duties and composition of the Cultural Heritage Board and Design Review Board into a single Design Review and Preservation Board; 2) adopt a resolution to amend the Santa Rosa Design Guidelines to replace all references to the Cultural Heritage Board and Design Review Board with a reference to the Design Review and Preservation Board; 3) adopt a resolution to set a fee for the Director Level Landmark Alteration Permit application and provide for reduced Landmark Alteration Permit fees for all levels of homeowner submitted applications; and 4) adopt a resolution to amend Council Policy 000-06 to remove references to the Design Review Board and Cultural Heritage Board and add the Design Review and Preservation Board to Section

H, requiring appointment of Board members by the full Council.
