WHEREAS, said hearing has been held by the City and each person whose property is to be acquired by eminent domain was afforded an opportunity to be heard on said matters; and

WHEREAS, the City may now adopt a Resolution of Necessity pursuant to section 1240.040 of the California Code of Civil Procedure.

NOW, THEREFORE, BE IT RESOLVED THAT THE COUNCIL OF THE CITY OF SANTA ROSA DOES HEREBY DECLARE AS FOLLOWS:

SECTION 1. Compliance with California Code of Civil Procedure and California Environmental Quality Act. The City has complied with the requirements of Section 1245.235 of the California Code of Civil Procedure and has completed required environmental review in compliance with the California Environmental Quality Act.

SECTION 2. Public Use. The public use for which the real property interests are to be acquired is for the City of Santa Rosa to construct the Santa Rosa Creek Trail Access at N. Dutton Avenue (West Side) Project, in the City of Santa Rosa, California. Section 37350.5 of the California Government Code authorizes the City to acquire by eminent domain real property necessary for such purposes.

SECTION 3. Description of Property. Attached and marked as Exhibit “A” is the legal description and depiction of the real property to be acquired by the City, which describes the general location and extent of the property to be acquired with sufficient detail for reasonable identification.

SECTION 4. Findings. The City hereby finds and determines each of the following:

- (a) The public interest and necessity require the proposed project;
- (b) The proposed project is planned or located in the manner that will be most compatible with the greatest public good and least private injury;
- (c) One permanent easement interest and one temporary construction easement interest described in Exhibit "A" are necessary for the proposed project;
- (d) The offer required by section 7267.2 of the California Government Code was made.

SECTION 5. Use Not Unreasonably Interfering with Existing Public Use: Some or all of the real property affected by the easements and right-of-way interests to be acquired may be appropriated to existing public uses. The legal descriptions of these easements and right-of-way interests are on file with the City and describe the general location and extent of the easements and right-of-way interests with sufficient detail for reasonable identification. In the event the herein described use or uses will not unreasonably interfere with or impair the continuance of the public use as it now exists or may reasonably be expected to exist in the future, counsel for the City is authorized to acquire the easement interests subject to such existing public use(s) pursuant to section 1240.510 of the California Code of Civil Procedure.

SECTION 6. More Necessary Public Use. Some or all of the real property affected by the easements and right-of-way interests will be appropriated to existing public uses. To the extent that the herein described use or uses will unreasonably interfere with or impair the continuance of the public use as it now exists or may reasonably be expected to exist in the future, the City finds and determines that the herein described use or uses are more necessary than said existing public use. Counsel for the City is authorized to acquire the real property appropriated to such existing public use(s) pursuant to section 1240.610 of the California Code of Civil Procedure. Staff is further authorized to make such improvements to the real property being acquired that it determines is reasonably necessary to mitigate any adverse impact upon the existing public use.

SECTION 7. Further Activities. Counsel for the City of Santa Rosa is hereby authorized to file legal proceedings necessary to acquire the hereinabove described real property in the name of and on behalf of the City by eminent domain, and counsel is authorized to institute and prosecute such legal proceedings as may be required in connection therewith. Legal counsel is further authorized to take such steps as may be authorized and required by law, and to make such security deposits as may be required by order of court, to permit the City to take possession of and use said real property at the earliest possible time. Counsel is further authorized to correct any errors or to make or agree to non-material changes in the legal description of the real

property that are deemed necessary for the conduct of the condemnation action or other proceedings or transactions required to acquire the subject real property.
