## ORDINANCE NO. 3387

ORDINANCE OF THE COUNCIL OF THE CITY OF SANTA ROSA AMENDING CHAPTER 20 OF THE SANTA ROSA CITY CODE - RECLASSIFICATION OF PROPERTY LOCATED AT 3555 SONOMA HIGHWAY - FILE NUMBER REZ 97-020

THE PEOPLE OF THE CITY OF SANTA ROSA DO ENACT AS FOLLOWS:

Section 1. The Council finds, based on the evidence and records presented, planned development ("PD") treatment and reclassification to the C-2-PD District are appropriate for the property identified in Section 2, due to subject property's physical configuration and its location adjacent to established development.

The Council further finds and determines that the reclassification of the subject property from the R-3-P-PD (Multiple Family Residential, Planned Development) District to the C-2-PD (General Commercial, Planned Development) District is consistent with the Santa Rosa General Plan in that:

1. The proposed C-2-PD District is consistent with the property's Retail and Business Service General Plan designation.
2. The proposed C-2-PD District restricts uses to those compatible with the surrounding residential neighborhood and the historical character of the Stonehouse building.

The Council has read, reviewed and considered the approved and adopted Negative Declaration for this project and determines that this reclassification will not have a significant effect on the environment as shown by the Negative Declaration.

Section 2. All conditions required by law having been satisfied and all findings with relation thereto having been made, Chapter 20 of the Santa Rosa City Code is amended by amending the "Zoning Map of the City of Santa Rosa," as described in Section 20-01.010, so as to change the classification of Assessor's Parcels Numbered 032-160-011 and -034 to the C-2-PD District.

The Policy Statement dated August 13, 1998, on file in the Department of Community Development, is approved and the same shall govern all development of the property.

In addition to any other conditions that are deemed appropriate or necessary at the time a use permit or other development permit is applied for, any development approval for this property shall be expressly conditioned to require the applicant to fulfill all of the following conditions:

1. Sewer connections for this development, or any part thereof, will be allowed only in accordance with the requirements of the California Regional Water Quality Control Board, North Coast Region, in effect at the time, or thereafter, that the building permit(s) for this development, or any part thereof, are issued.

ORDINANCE OF THE COUNCIL OF THE CITY OF SANTA ROSA AMENDING CHAPTER 20 OF THE SANTA ROSA CITY CODE – RECLASSIFICATION OF PROPERTY LOCATED AT 3555 SONOMA HIGHWAY (STONEHOUSE REZONING), FILE NUMBER REZ04-023

THE PEOPLE OF THE CITY OF SANTA ROSA DO ENACT AS FOLLOWS:

Section 1. The Council finds, based on the evidence and records presented, that planned development (“PD”) treatment is appropriate, and that the modification of the Stonehouse PD (Planned Development) Policy Statement is appropriate for the property identified in Section 2, due to subject property’s physical configuration and its location adjacent to established development.

The Council further finds and determines that the modification of the subject property PD (Planned Development) District to rezone two (2) acres to allow “senior condominiums, senior apartments, and senior multi-family attached or detached housing” under conditionally permitted uses is consistent with the Santa Rosa General Plan in that:

1. The Zoning authorizes retail and business services Land Use in conformance with the Land Use Element of the City’s General Plan which designates the site for Retail and Business Service Land Use.
2. The Zoning will allow development compatible with the surrounding neighborhood.

The Council has reviewed and considered the approved and adopted Negative Declaration for this project and determines that this reclassification will not have a significant effect on the environment as shown by the Negative Declaration.
