Talbot/Memorial Residential
Permit Parking Zone to Include
the 100 Block of Sotoyome Street

City Council Meeting
May 13, 2025

Chad Hedge
Parking Manager, Finance Department

CURRENT

- The Downtown Residential Permit Parking Zone was established on March 20, 2007.
- City Code Section 11-44.050 establishes process for creating or amending residential permit zones

PROPOSED

- A petition has been received from residents of the 100 block of Sotoyome Street to expand the Downtown Residential Permit Parking Zone
- The street currently has two-hour time limited parking from 9 am to 6 pm, Monday –Saturday to limit visitors and employees of nearby hospital and medical offices from using all the street parking
- If approved, residents may purchase permits exempting them from time limits

PROPOSED EXPANSION TO THE RESIDENTIAL PERMIT PARKING ZONE

BENEFIT

- Approval of this item will provide relief to residents, allowing them to park beyond posted time limits in the permit zone.
- The two-hour time limit will continue to serve as a deterrent to long term spill over parking, freeing up parking spaces for residents.

RECOMMENDATION

- It is recommended by the Finance Department that Council, by resolution, approve the petition to add the 100 block of Sotoyome Street to the Talbot/Memorial Residential Permit Parking Zone.
