**FIRST AMENDMENT TO

**BETWEEN THE CITY OF SANTA ROSA, THE HOUSING AUTHORITY
OF THE CITY OF SANTA ROSA
AND
NORTH VILLAGE INVESTORS, LLC
RE: 2406 Fulton Road**

The parties to this First Amendment to Housing Allocation Plan Contract (Contract) (hereinafter referred to as the "Contract") are the CITY OF SANTA ROSA, THE HOUSING AUTHORITY OF THE CITY OF SANTA ROSA ("Authority") and FULTON ROAD INVESTOR, LLC a California Limited Liability Company ("Owner").

Background

The real property which is the subject of this First Amendment to the Contract is commonly known as North Village II, located at 2406 Fulton Road, Santa Rosa, Sonoma County, California, hereinafter sometimes referred to as the "Property".

Originally, North Village II was the second phase of an overall project, including North Village I, that was owned and being developed by a single entity as North Village. North Village I and North Village II are owned by different entities, making the transfer of affordable rental housing units infeasible.

Phase II is ready to proceed and due to market conditions is unable to provide the sixteen (16) affordable housing units assigned in the North Village II Housing Allocation Contract between the City of Santa Rosa, the Housing Authority of the City of Santa Rosa and Fulton Road Investors, LLC recorded on June 19, 2014 in the Official Records of Sonoma County as Document No. 2014041795. As a result of not being able to provide sixteen onsite, affordable rental units, the Owner requested relief through Section 21-02.070(D) of the Santa Rosa City Code for alternative compliance with the Housing Allocation Plan. On January 5, 2021, the Santa Rosa City Council reviewed the request and approved a reduction in the required on-site affordable housing from sixteen (16) to eight (8) units and requires the Owner to pay Housing Allocation Plan fees for the eight (8) units.

This First Amendment to the Housing Allocation Plan Contract is to revise the number of on-site affordable housing units that are required to be provided upon completion of North Village II, as approved by City Council Resolution No. 21-0028 on January 5, 2021.

NOW, THEREFORE, IT IS AGREED:

1. SECTION 2., entitled "Definitions – Allocated Units or Unit" the following definition is deleted and replaced as follows:

"Allocated Units" or "Unit": one of the eight (8) newly constructed "for-rent" dwelling units which Owner is required to set aside for rental to Low Income Tenants at restricted rent levels as set forth in this Contract. The Allocated Units are designated on that portion of the development consisting of Lots 36 and 37 on the map of the North Village II development.

2. SECTION 3.B., entitled "Term, Allocated Units" is deleted in its entirety and replaced as follows:

B. Allocated Units. The Eight (8) Allocated Units to be provide by Owner as part of North Village II pursuant to the Ordinance shall be held, set aside and restricted for occupancy of Low Income Tenants in accordance with the provisions of this Contract for a period of thirty (30) years from the Date of First Rental (the "Term").

3. SECTION 4. entitled "Release of North Village I Units" is deleted in its entirety.

4. SECTION 6. Allocated Units and Resident Manager Unit; Time of Construction. is deleted in its entirety and replaced as follows:

All the Allocated Units in the Development shall be comparable in exterior appearance to the other units in the Development.

The following is the planned breakdown of the Allocated Units in this Development:

1 BR: 1 unit
2 BR: 6 units
3 BR: 1 unit

For a total of 8 units.

5. SECTION 7.B. Ownership and Occupancy of Allocated Units – Notice of Availability. is deleted in its entirety and replaced as follows:

B. Notice of Availability. Owner shall provide Authority with a Notice of Availability thirty (30) days before any of the Allocated Units are first available for occupancy. After the Date of First Rental, all of the Allocated Units shall be rented only to Low Income Tenants.

In all other aspects, the HOUSING ALLOCATION PLAN CONTRACT recorded June 19, 2014, as Sonoma County Recorder's Number 2014-041795, remains in full force and effect.

IN WITNESS WHEREOF, the parties have caused this First Amendment to Housing Allocation Plan Contract to be signed and sealed by their respective, duly authorized representatives, as of the day and year written below.

WHEREAS, as part of the approval of the North Village II Project, the Planning Commission expressed support for an alternative approach to required compliance with the City's Housing Allocation Plan (HAP); and

This Contract sets forth the terms and conditions of the agreement between City, Owner and Authority by which Owner shall provide, on-site, and as part of North Village II, thirty-one (31) affordable rental housing units to low income households, all pursuant to the Housing Allocation Plan ("HAP"), which plan was established by the City Council of the City of Santa Rosa on June 2, 1992, and adopted as Ordinance No. 2961 on June 9, 1992, under Chapter 21-02 of the Santa Rosa City Code – Housing Allocation Plan, with various amendments between June 9, 1992, and May 14, 2002, all as amended by Ordinance 3561 on May 14, 2002 (the "Ordinance").

Pursuant to the Ordinance, the requirement for the provision of on-site, affordable housing units in North Village II is eighteen (18) housing units affordable to low income households, which together with the sixteen (16) affordable housing units required and previously provided by Owner to low income households in North Village I, is a total of

A. City hereby agrees to release two (2) of the sixteen (16) North Village I affordable housing units from the requirements of the North Village I HAP Contract upon the occurrence of (i) execution of this Contract, and (ii) a vacancy of the unit. At such time as one of the North Village I affordable units is vacated following full execution of

this Contract, Owner may request the execution of a release. In conjunction with such request for release, Owner shall provide evidence of the vacancy of said unit, by physical inspection, or such other means acceptable to Authority. In the event that the unit is one of a duplex, not legally able to be released as a separate unit, then Authority will issue a letter acknowledging the right to release and indicating that compliance and enforcement under the North Village I HAP Contract shall not apply to such unit, and the release will be executed at the time set forth in subsection (B), below.

B. City hereby agrees to release the remaining fourteen (14) North Village I affordable housing units from the requirements of the North Village I HAP Contract at such time as the thirty-one (31) North Village II Allocated Units are available for occupancy as set forth in the Notice of Availability. Owner shall also provide any tenants then residing in one of the fourteen (14) North Village I affordable units, priority for relocation to the North Village II Allocated Units. Owner shall give proper written notification, not less than five months prior to the Notice of Availability for the Allocated Units, to each of the then current tenants of the fourteen (14) North Village I affordable housing units, of (i) the release of the North Village I affordable units, (ii) rental increases that will result from the release, and (iii) their priority rights to relocate to one of the North Village II Allocated Units, along with the income eligibility requirements for the North Village II Allocated Units as set forth in this Contract.

C. City hereby authorizes the Executive Director of the Housing Authority, or designee, to execute a release in compliance with this Section, in a form adequate to be recorded in the Official Records of Sonoma County to effect a release of such unit(s) from the North Village HAP I Contract

SECTION 5. Bond Issue

Owner hereby agrees, as part of the consideration to City in entering into this Contract, that City shall be the issuer of any multifamily housing revenue bonds that are issued for financing the North Village II Allocated Units, provided, however, Owner may elect an alternate issuer in the event that Owner provides documentation that bond issuance costs to be incurred by Owner would be materially lower with such other issuer.

SECTION 6. Allocated Units and Resident Manager Unit; Time of Construction

All the Allocated Units in the Development shall be comparable in exterior appearance to the other units in the Development. Each Allocated Unit shall be at least two (2) bedrooms and contain at least 800 square feet of living area. The following is the planned breakdown of the Allocated Units in this Development:

2 BR:	19 Allocated Units
3 BR:	13 Allocated Units
Total	31 Allocated Units.

There shall be one (1) unrestricted resident manager unit within the Development for a total of thirty-two (32) units within the Project. Owner hereby agrees that construction of the Allocated Units shall commence generally concurrent with construction of the market rate units within the North Village II project in accordance with Santa Rosa City Code Section 21-02.150. Construction of the Project shall be completed and the units ready for occupancy not later than December 31, 2013.

SECTION 7. Ownership and Occupancy of Allocated Units

A. Common Ownership. In order for Authority to monitor compliance and to be able to maintain the affordability of the Allocated Units hereunder, it is a requirement under this Contract that the Allocated Units and the resident manager's unit be held and maintained under common ownership, financing and management during the Term, notwithstanding the fact that certain of the Allocated Units have been subdivided to allow sale of individual or duplex units.

B. Notice of Availability. Owner shall provide Authority with a Notice of Availability thirty (30) days before any of the Allocated Units is first available for occupancy. After the Date of First Rental, all of the Allocated Units shall be rented only to Low Income Tenants. The Owner shall give priority to those tenants occupying the fourteen (14) North Village I affordable housing units that are to be released from the income restrictions in accordance with Section 4 of this Contract.

C. Certification Prior to Occupancy. No tenant shall be allowed to occupy any Allocated Unit until submission of an Income Certification form which sets forth accurately and honestly the tenant income and household information, and not until after Authority has notified Owner, in writing, of its approval of such certification.

D. Exception to Prior Certification/Tax Credit Financing. If the affordable housing portion of the Development (i.e., all the Allocated Units) becomes qualified for Tax Credit financing through the California Tax Credit Allocation Committee ("TCAC"), then the Authority may, in its discretion, waive the foregoing requirement of Section 7.C., for prior approval of a tenant's eligibility, so long as such eligibility is certified by Owner in accordance with the certification requirements of the TCAC, and a copy thereof is promptly delivered to the Authority. The Authority may reinstate the prior certification requirement at any time by giving Owner thirty (30) days written notice.

SECTION 8. Rent Levels

A. Maximum Rent Level. During the term of this Contract, the maximum monthly rent Owner may charge for an Allocated Unit occupied by a Low Income Tenant is restricted to a monthly rent which does not exceed 30 percent of 60 percent of the annual Median Income, adjusted to the level of 1.5 persons per bedroom, and divided by

12, less a monthly "Utility Allowance" to be determined as set forth below.

(1) Number of Bedrooms. An adjustment must be made to equate income levels to the number of bedrooms. The adjustment for unit size is based on the assumption of 1.5 persons per bedroom as follows:

2 bedroom units utilize incomes equivalent to 3.0 persons
3 bedroom units utilize incomes equivalent to 4.5 persons

(2) Utility Allowance. The Utility Allowances issued by Authority and adjusted from time to time shall be used to calculate the appropriate allowance for tenant paid utilities to be deducted in the rent calculation. A copy of the present Utility Allowances are attached hereto as Exhibit F.

(3) Example of Maximum Rent Level Calculation. The following example shows how the maximum rent level for a two bedroom Low Income Allocated Unit is established. The Utility Allowance used in the example is an amount used for illustrative purposes only.

3 persons Median Income x .60 x .30 ÷ 12 - Utility Allowance = the maximum rent rounded to the nearest dollar

$\$73,350 \times .60 \times .30 \div 12 - \$211 = \text{maximum rent}$

$\$73,350 \times .60 \times .30 \div 12 - \$211 = \$874.25$ (round down to \$874)

B. Maximum Rent Level Adjustments. During the entire period that this Contract is applicable to any Allocated Unit, Owner may be required to adjust rent for all Tenants of the Allocated Units in accordance with the intervening fluctuations in rent levels resulting from Median Income adjustments by HUD. Any increase may be passed on to the Tenants by Owner in accordance with the law. Any decrease must be passed on to the Tenants within sixty (60) days after notification by Authority of a change in the rent level under the program requirements. Decreases that result in rents below the initial affordable maximum rent do not have to be passed on to the Tenants. Owner may not increase rents for any Allocated Unit more than once every twelve (12) months during the term of this Contract.

SECTION 9. Compliance Requirements

A. Ordinance and Laws. Owner agrees to comply with all of the requirements of the Ordinance, and with all local, state and federal laws and regulations applicable to the construction, maintenance, occupation, development and rental of the Allocated Units, including zoning, housing, building and fire codes. All such laws, regulations and legal requirements are incorporated into and made part of this Contract. Any failure to

comply with any such requirements shall constitute a default of this Contract.

B. Compliance Check. Owner shall cooperate at all times by promptly providing Authority with all information required to verify rents and Tenants' income. Owner shall permit Authority to contact Tenants to verify rents and Tenants' income, and shall permit Authority to inspect all rental records of Owner, after reasonable notice. Owner must disclose to each qualified Tenant the compliance requirements that involve the Tenant's participation.

C. Compliance Fee. Owner shall pay to Authority, for its ongoing compliance and monitoring duties, an annual fee of \$109.00 for each Allocated Unit, as may increase over time. The annual fee for all the Allocated Units shall be first paid by Owner on the date the Notice of Availability is submitted to Authority and shall be paid annually thereafter, due on the anniversary date of the Notice of Availability. The foregoing fee shall be waived by the Authority in the event that the City is the issuer of any multifamily housing revenue bonds that are issued for financing the North Village II Allocated Units. If the City is not the issuer of any multifamily housing revenue bonds, then the foregoing fee shall be waived by the Authority for so long as the Authority waives the prior certification of tenant requirement under Section 7.D. of this Contract.

D. Quarterly Occupancy Status Report. In addition to the other reporting requirements under this Contract, Owner shall deliver to Authority by the 15th of January, the 15th of April, the 15th of July, and the 15th of October of each year, a status report regarding the Allocated Units, specifying:

- (1) The number of Allocated Unit(s) available to and/or actually occupied by qualified Tenants certified by the Authority;
- 2) A list of current Heads of Household names, Unit number, number of members in Household, number of bedrooms, rent charged, initial certification/move-in date, and date of last certification;
- (3) The current rent charged for the Unit; and
- (4) General management performance, including Tenant relations and other relevant information, such as Tenant complaints, construction or maintenance problems, neighborhood situations which pose risks to the Tenants or to the project itself.

E. Annual Recertification of Tenant's Income. Owner must review and recertify each Tenant's income once every twelve (12) months, to assure the Tenant's ongoing eligibility under this Contract. Owner shall provide a report to Authority once a year by September 15th that must be signed by a duly authorized agent of Owner. The report shall include information on Tenant income and rent for each Allocated Unit. The report shall contain a certification that, during the prior twelve (12) month period from

July 1 to June 30:

- (1) Owner has complied with all its obligations under this Contract;
- (2) Owner has complied with the requirement to submit to Authority an annual recertification for each Tenant's income under this Contract, and that all Tenants of Allocated Units are duly and properly qualified as to income and rent level;
- (3) Owner has preserved written records verifying Tenant income certifications, and;
- (4) Owner has provided Authority completed Tenant Income Certification forms, along with third party proof of income.

Authority or its designee may perform Tenant file inspections, including review of income certifications, supporting documentation, rent records, utility allowance documentation, and any other information deemed necessary to Authority. Advance notice will not be given of Authority's selection process for which Tenant records will be inspected. However, Owner will be given reasonable notice of the inspection date.

F. Effects of Tenant Income Fluctuations. If, upon review of Tenant income, a previously qualified household no longer qualifies for the Allocated Unit, the household may continue to occupy the Allocated Unit for so long as the increase in the total household income does not exceed one hundred twelve percent (112%) of the then current maximum qualifying income for the Allocated Unit.

If any previously qualified household's income exceeds the 112% limit, the household must vacate the Allocated Unit within six (6) months after it is determined that the household's income no longer qualifies. Owner shall deliver written notice to the Tenant of the income determination and reasons for the termination. Tenancy shall not be terminated if, within the six-month noticing period, evidence is provided that the Tenant's income has decreased to a level that would qualify the household.

In the event that the Project receives tax credit financing, the requirements of the United States Internal Revenue Code Section 42 shall supersede any requirements of this subsection.

SECTION 10. Operation of the Project

At all times during the Term the Project must be operated in conformance with local, state and federal laws and regulations. Authority must be informed of any substantial complaints about the Allocated Units or the Project. "Complaints" include, but are not necessarily limited to objections, protests, formal legal or administrative actions, and any material objections, all about or relating to the Property, the management, the

Allocated Units, Tenants, managers, the neighboring homes and their occupants, police, fire and building officials. If Owner has failed to comply with such laws and regulations or with this Contract, that failure shall constitute a default under this Contract.

SECTION 11. Property Management and Standards

Owner shall maintain the Allocated Units and the Project in decent, safe and sanitary condition at all times. Owner shall comply with all applicable zoning, housing, building and fire codes. Owner shall not materially take away from, or materially alter features of the Units or of the Project, or otherwise change, alter or reduce any real or personal property of the Units or of the Project, without prior written approval of the Authority. Owner shall not demolish any part of the Project. Normal maintenance and repair are not precluded by the provisions of this subsection.

Authority has the right to inspect the interior of the Project with proper advance notice, and the exterior of the Project with no advance notice.

Owner shall be responsible for providing adequate property management for the Allocated Units and the Project either by performing the services itself or by hiring the services of a professional property manager. These responsibilities include processing financial statements, handling of receivables and payables, Tenant selection, and compliance with terms and conditions of this Contract. Owner shall adopt and implement on a regular basis some minimum standards and criteria for Tenant selection, e.g., references, credit, and criminal background checks.

Owner is approved to serve as the manager of the Project. Any other on-site project manager, resident manager, or any other management company hired to manage the Project must be experienced and qualified for the responsibilities involved, including without limitation, experience in managing rental properties for low income persons and must be approved, in writing, by Authority prior to hiring. Authority's approval will not be unreasonably withheld. Any hiring in violation of this provision is voidable at the election of Authority.

In the event Owner or its manager have failed to provide proper management of the Allocated Units or the Project, Authority may require Owner to hire the services of a professional property management company which shall be responsible for the above services.

SECTION 12. Insurance

Owner shall maintain in full force and effect all of the insurance coverage described in, and in accordance with, Attachment One, "Insurance Requirements", which is attached hereto and hereby incorporated and made part of this Contract by this reference. Maintenance of the insurance coverage as set forth in Attachment One is a

material element of this Contract. Failure by Owner to (i) maintain or renew coverage, (ii) provide Authority notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by Authority as a material breach of this Contract by Owner. In the event that Owner fails to maintain the full insurance coverage required herein, Authority, after at least ten (10) days written notice to Owner, may, but shall not be obligated to, take out the required insurance policies and pay the premiums on such policies. Notwithstanding the foregoing, any failure by Owner to maintain required insurance coverage shall not excuse or alleviate Owner from any of its other duties or obligations under this Contract. Owner shall assure that any, contractors, subcontractors or consultants utilized in connection with the Project maintain, all of the insurance coverage requirements set forth in the Insurance Requirements at Attachment One.

SECTION 13. Indemnity

Owner agrees to accept responsibility for loss or damage to any person or entity, and to defend, indemnify, hold harmless and release Authority and City, their officers, agents and employees, from actions, claims, damages, liabilities, disabilities or the cost of litigations that are asserted by any person or entity to the extent arising out of the negligent acts or omissions or willful misconduct in the performance by Owner hereunder, whether or not there is concurrent negligence on the part of Authority or City (and whether or not the action or claim is meritorious), but excluding liability due to the sole, active negligence or willful misconduct of Authority or City. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Owner or its agents, under workers' compensation acts, disability benefits acts or other employees' benefits acts.

SECTION 14. Availability of Records

All Tenant lists, applications, verification of Tenant income, and waiting lists relating to the Allocated Units in the Project and relating to applicants for occupancy of such Allocated Units shall at all times be kept separate and identifiable from any other business of Owner which is unrelated to the Development. This information shall be maintained by Owner in a reasonable condition for proper audit, and is subject to examination during business hours by a representative of Authority to the extent permissible under laws and regulations protecting individual confidentiality. Failure to keep such lists and applications or to make them available to Authority will be a default hereunder. At all times, Owner shall maintain such records for at least the three (3) prior years, and for at least a minimum of three (3) years beyond the term of this Contract.

SECTION 15. Nondiscrimination

Owner shall not exclude or discriminate against any person in the United States on the grounds of race, color, religion, national origin, sex, sexual orientation, familial

status, source of income, physical or mental disability, or age, nor shall Owner prevent any such person from participating in, or benefiting from, any program or activity related to the Project on those grounds. Specifically, Owner must not, based on the above grounds:

- A. Deny any service or other benefit provided under any program activity;
- B. Provide any service or other benefit which is different, or is provided in a different form, from that provided to others under any program or activity;
- C. Subject to segregated or separate treatment in any facility in, or in any manner or process related to receipt of any service or benefit under, any program or activity;
- D. Restrict in any way the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit under any program or activity; or
- E. Treat an individual differently from others in determining whether that individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which individuals must meet in order to be provided any service or other benefit provided under any program or activity.

SECTION 16. Defaults; Remedies

A default of this Contract shall occur if Owner fails to observe or perform any covenant, condition or agreement contained herein. In addition, a default shall be deemed to have occurred if any of the following happen: (i) Owner sells, conveys, contracts to sell, alienates, transfers title or further encumbers all or any part of the Project, including creation or termination of a life estate, without the prior written consent of Authority; or (ii) Owner suffers the title or any interest in the Project to be divested, whether voluntarily or involuntarily other than by reconveyance by title held for security purposes only; or (iii) Owner changes or permits to be changed the character or use of the Project; or (iv) Owner allows an ineligible person to occupy an Allocated Unit; or (v) Owner becomes insolvent or otherwise terminates its business.

In addition, because this Contract is recorded pursuant to a City program administered by Authority to provide assistance to Low Income households within the City of Santa Rosa, notwithstanding any other terms in this Contract to the contrary, a default of this Contract shall be deemed to have occurred if any of the following happen: (i) Owner fails or refuses to furnish Authority with information reasonably required by Authority to determine Tenants' continuing eligibility under the applicable funding program; or (ii) Owner fails or refuses to cooperate with reasonable review procedures set up by Authority to monitor Tenants' continuing eligibility under the applicable funding program; or (iii) Owner fails to comply with the terms and conditions of this Contract; or

(iv) Owner fails to maintain the Project in a good and habitable condition; or (v) Owner fails to maintain the Project in a state of repair in compliance with all federal, state, and local laws, ordinances, and/or rules.

In addition to all other rights of Authority provided herein, a default of this Contract shall occur if Owner has made any material misstatements in the representation, warranties and covenants contained in documents executed by Owner in connection with the Project, including, without limitations, misstatements or omissions in the representations, warranties, or covenants relating to the location of the Project, any occupancy requirements of applicable funding programs, the cost and description of any improvements made to the Project, or any sale, transfer or other disposition of such Project not made in accordance with the terms of this Contract.

Owner shall have thirty (30) days from the date of a written notice of default from Authority specifying the default and requesting that it be remedied. If the failure specified in the notice cannot be corrected within the applicable period and Owner has adequately demonstrated that it has instituted corrective action within the applicable period and has diligently pursued such corrective action, then Owner will not be in default under this Contract so long as Owner diligently, and without interruption, pursues the cure to complete corrections. Upon a default under this Contract and failure to cure as provided above, Authority shall be entitled, in addition to all other remedies provided by law or in equity, to do the following:

A. To compel specific performance by Owner of its obligations under this Contract, it being recognized that the beneficiaries of Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of Owner's default.

B. To the extent permissible under laws and regulations protecting individual confidentiality, to have access to, to inspect, and to make copies and to audit all books and records of Owner pertaining to the Property.

C. To cause Owner to pay to Authority (if the thirty (30) day cure period has been exceeded and no cure has been achieved) an amount equal to all excess rent received by Owner with respect to those of the Allocated Unit(s) which have been improperly rented. The term "excess rent" as used in the previous sentence shall mean all rent received by Owner over the amount allowed in Section 8 of this Contract.

D. To conduct an evaluation of, and direct Owner with respect to, the management and operation of the Property, to the extent any default is reasonably attributable to such management. City or Authority may retain attorneys and consultants to assist in such evaluation, and Owner shall pay the reasonable fees and expenses of such attorneys and consultants and any other expenses incurred by City or by Authority in this regard. Owner shall follow all lawful directives, which may, at the option of City or

Authority, include replacing existing management with new management. In the event a default includes the failure of Owner to make any required payment of such fees and expenses in a timely manner, or in the event of the imminent closure of the Project, Authority may in its sole discretion select new management.

E. Any default in the performance of the requirements of this Contract or any of the related instruments and agreements given in connection with the Contract shall entitle Authority, in addition to any other relief afforded to it by law or this Contract, to extend the term the Allocated Units are to be restricted under this Contract, by the period of time of such default.

SECTION 17. Notices

Formal notices, demands, and communications between City, Authority and Owner shall be sufficiently given if, and shall not be given unless, dispatched by certified mail, postage prepaid, return receipt requested, or sent by express delivery service or overnight courier service, to City, Authority and Owner as follows, or at such other address as the parties may designate in writing from time to time:
