Susie,

Here is the information based on your most recent request. Three spreadsheets ATTACHED:

1. Homeless Call (Event) Data
2. Arrest Data, including DUI and other alcohol-related offenses (highlighted)
3. Crime Incident Data, including DUI and other alcohol-related offenses, and Involved Alcohol field yes/no designator (offense and designator do not always match).

- All results are within 1,000 feet of the 136 College Av parcel, from January 2021 to present.
- All times/dates are in UTC (Coordinated Universal Time) which is a current limitation of or GIS software.

I was not able to identify data specifically related to the Caltrans ROW noted in your request, sorry. It's possible contacts in this area may have geocoded to the College Av/Hwy 101 undercrossing/onramp, which you can identify in the spreadsheets.

So, based on this data, your estimated counts should look like this:

Homeless Events:
2021 = 231
2022 = 221
2023 through March = 23
Total = 475

Arrests:
2021 = 58 (includes 4 DUI; 1 other alcohol-related)
2022 = 94 (includes 11 DUI; 9 other alcohol-related)
2023 through March = 16 (includes 1 DUI; 1 other alcohol-related)
Total = 168 (16 DUI; 11 other alcohol-related)

Crimes:
2021 = 102 (includes 4 DUI; 7 other alcohol-related)
2022 = 147 (includes 9 DUI; 17 other alcohol-related)
2023 = 23 (includes 2 DUI; 2 other alcohol-related)
Total = 272 (15 DUI; 26 other alcohol-related)

Hopefully, this covers it! Feel free to drop me an email or give me a call if you need assistance interpreting anything once you have had a chance to look things over.

Subject: RE: SRPD Calls For Service, 136 College Av, Jan 2021-Sep 2022

Good morning,

Let's go with that….and hope the Planning Commission is satisfied.

Subject: RE: SRPD Calls For Service, 136 College Av, Jan 2021-Sep 2022

So, just to be clear, you only wish to see data matching the criteria in your five new bullet points below (no other call or crime types), and the data date range is January 2021 to present, correct?

Subject: RE: SRPD Calls For Service, 136 College Av, Jan 2021-Sep 2022

Hello again,

I was just talking to my office mate about the appropriate search attributes. Can this be done:

- Alcohol related arrests
- DUI arrests
- Calls related to homelessness
- Within 1,000 feet of the site
- Anything specifically related to the Caltrans ROW (separate report if possible)

Sorry to be all over the map on this. I'll bring it up at our next staff meeting and ask that we try to be a little more consistent.

Thanks.

Susie

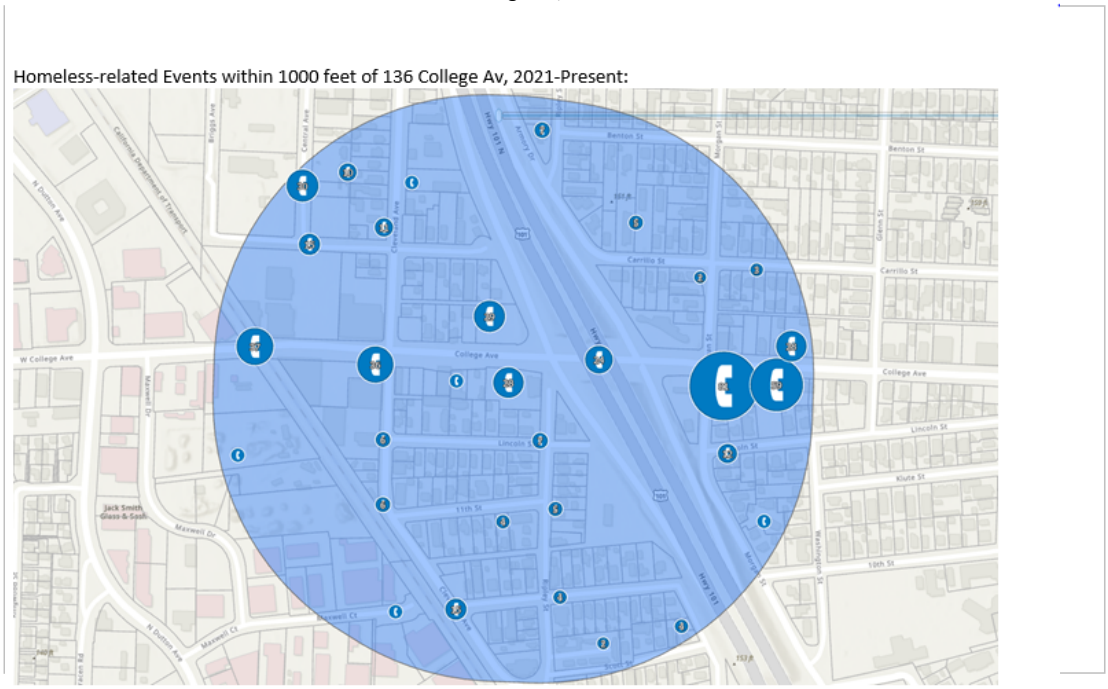
Hi Susie,

Here's the map sample we talked about. The symbology you see includes the 1000 ft buffer around 136 College Av, and the pins are homeless Event (call) data using a "Cluster" aggregation (so map pin gets larger when there are more Events in an area). The thing to remember here is that the pin does not necessarily represent a single address, but rather, the aggregate of calls at nearby addresses at that map extent. Hope that makes sense!

Homeless-related Events within 1000 feet of 136 College Av, 2021-Present:



Regards
Conan
