ANALYSIS

The Housing Authority Tenant Commissioner positions are appointed by the full Council per Council Policy 000-06. All persons interested in serving on City boards, commissions, and committees must submit an application to the City Clerk's Office or incumbents may, at the end of their first term, submit a letter of interest in reappointment.

Per California Health and Safety Code Section 34270, the Housing and Community Services Department prepared a letter for the Mayor's signature inviting Section 8 participants to apply for the vacant Housing Authority Tenant Commissioner positions. The letter explains the vacancy and what is required, and invites interested participants to apply online or request a reasonable accommodation for an alternative application format. Applications are reviewed for eligibility by the Housing and Community Services Director and Rental Assistance Manager for compliance in the program.

Additionally, Resolution 1724, Housing Authority Bylaws, outlines the formation of the body and specifies that of the Tenant Commissioners, "one such tenant commissioner shall be over the age of 62 if the authority has tenants of such age."

The following persons have submitted letters of intent/applications for consideration and are eligible for appointment as indicated below:

Angela Conte (At-Large Incumbent)
