LEVINE ACT DISCLOSURE STATEMENT

INSTRUCTIONS: All persons shall include this Disclosure Form along with their application to the City. Failure to comply with this requirement may cause your application to be rejected. In the space provided below, please identify the applicable decision-making body with review authority over your application. Identify all the applicable officers and the amount of contribution given to each officer. Please see the City of Santa Rosa webpages for information regarding the members of the various decision-making bodies (City Council, Planning Commission, Design Review Board, Cultural Heritage Board, etc.). Any questions regarding the information required to be disclosed in this form should be directed to the City Attorney.

California Government Code section 84308, commonly referred to as the "Levine Act," precludes an elected or appointed officer of a local government agency from making, participating in, or in any way attempting to influence decisions by the agency if the officer receives any political contributions totaling more than $250 in the 12 months preceding the decision, while the decision is pending, and for 12 months following the final decision by the agency, when the contribution is from any person that has a financing interest in the decision. This prohibition applies to: (a) any license, permit, or other entitlement for use considered by the local agency for any business, profession or trade, land use licenses and permits, and all other entitlements for use considered by the local agency; and (b) contributions made directly to the officer, received by the officer on behalf of any other officer, or received on behalf of any candidate for office or on behalf of any committee. The Levine Act also requires disclosure of any such contributions to be made by the applicant seeking the approval by the local agency.
