Throughout this Master Agreement, CCOG, Winning Supplier, and Equalis are referred to interchangeably as in the singular "**Party**" or in the plural "**Parties**."

1. RECITALS

A. CCOG is a Council of Governments formed under Chapter 167 of the Ohio Revised Code and serves as a lead agency (a "**Lead Public Agency**") for Equalis Group ("**Equalis Group**"), a national cooperative purchasing organization, by publicly procuring Master Agreements for products and services to be made available to current and prospective Equalis Group members ("**Equalis Group Member**" or "**Member**").

B. Equalis is the third-party procurement administrator for and duly authorized agent of CCOG, and in that role manages the procurement, contract management, marketing, sales, reporting, and financial activities of, for, and on behalf of CCOG at the direction and with the authorization of the CCOG Board of Directors.

C. To the extent that the laws of a state, region, territory, and/or country permit, any public sector entity may join Equalis Group as a Member. The term "**Public Sector Entities**" includes, but is not limited to, political subdivisions, municipal corporations, counties, townships, villages, school districts, special districts, public institutions of higher education or training, units of government, state/regional/territorial agencies, state/regional/territorial governments, federal/national agencies, federal/national governments, and other entities receiving financial support from tax monies and/or public funds.

D. Any organization that is exempt from federal income tax under Section 501(c)(3) of the IRS Code, and any other entity if permitted under the IRS Code and other applicable law, including for-profit companies, may also join Equalis Group as a Member.

E. Equalis Group makes its Master Agreements available through groups and associations ("**Association Partners**") that contract with Equalis for the purpose of providing additional benefits to the members of such Association Partners.

F. Members, Association Partners, and Association Partners' members are referred to throughout this Master Agreement as Equalis Group participants ("**Equalis Group Participants**").

G. CCOG issued this request for proposal ("RFP") on behalf of Equalis Group Participants for and awarded a contract to Winning Supplier as a lowest responsive and responsible bidder. The products and services made available in this contract are defined by the contents of the Winning Supplier's Cost Proposal submission ("**Products & Services**").

H. CCOG and Equalis agree to make the Products & Services from Winning Supplier available to Equalis Group Participants and Winning Supplier agrees to provide the same to Equalis Group Participants who purchase Products & Services ("**Program Participants**") subject to the terms of this Master Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree to the following terms and conditions:

2. TERMS & CONDITIONS

2.1. **Personnel & Equipment**. The Parties agree that the number and types of any subcontractors, dealers, distributors, personnel, or specialized equipment which may be required to furnish Products & Services to Program Participants will be determined by Winning Supplier. Winning Supplier agrees to engage the number and types of subcontractors, personnel, and/or specialized equipment necessary to furnish the types of Products & Services as specified in **Appendix B** to all Program Participants throughout the Term, as defined in **Appendix A**, of this Master Agreement and any Customer Agreement.

2.2. **Supplemental Agreements**. Winning Supplier may enter into separate supplemental agreements with an Equalis Group Participant to further define the terms and conditions of purchasing Products & Services as defined in **Appendix B** ("**Customer Agreement**"). Any Customer Agreement entered into as a result of this contract is exclusively between the Program Participant and Winning Supplier. Neither CCOG, Equalis Group, its agents, Member and employees shall be made party to any claim for breach of such agreement.

2.3. **Rates & Charges**. The rates, fees, and charges to be charged to and paid by Program Participants for Products & Services are set forth in **Appendix B**. Winning Supplier agrees that there are no other applicable rates, fees, charges, or other monetary incentives for Products & Services except those set forth in Winning Supplier's cost proposal.

2.4. **The Term**. This Master Agreement and the Appendices attached hereto will become effective as of effective date identified in the **Master Agreement Signature Form** (the "**Effective Date**"). This Master Agreement will remain in effect for four (4) years and will expire on the date identified in the **Master Agreement Signature Form** (the "**Termination Date**") unless extended, terminated, or cancelled as set forth in the Master Agreement (the "**Initial Term**"). This Master Agreement may be renewed for one (1) additional one (1) year period by CCOG (a "**Renewal Term**") unless this Master Agreement is terminated as set forth herein. By mutual consent of the Parties, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term (the "**Extended Term**"). The Initial Term together with all Renewal Terms and Extended Terms exercised are hereinafter collectively referred to as the "**Term**."

2.5. **Formation of Contract**

a. **Bidder Contract Documents**. CCOG and Equalis Group will review proposed Bidder contract documents. Bidder's contract document shall not become part of CCOG and Equalis Groups' contract with Bidder unless and until an authorized representative of CCOG and Equalis Group reviews and approves it.

b. **Entire Agreement**. This Master Agreement, including its Recitals, together with all components of the RFP, attachments, appendices, and exhibits hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same subject matter. The Parties acknowledge that this Master Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Master Agreement, and any ambiguity may not be construed for or against any Party.

Winning Supplier's complete and final RFP response is hereby incorporated into and made part of this Master Agreement.

c. **Modification**. No release, discharge, abandonment, waiver, alteration, or modification of any of the provisions of this Master Agreement, or any of the Appendices incorporated herein, shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties.

d. **Assignment**. This Master Agreement and the rights and obligations hereunder may not be assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Winning Supplier and Equalis may assign their respective rights and obligations under this Master Agreement without the consent of the other Parties in the event either Winning Supplier or Equalis shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sale to, or a transfer of all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Master Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual agreement of the Parties. No such extension will relieve the extending Party of its rights and obligations under this Master Agreement.

e. **Order of Precedence**.

(1) General terms and conditions
(2) Specifications and scope of work
(3) Attachments and exhibits
(4) Documents referenced or included in the solicitation

2.6. **Confidentiality**.

a. **Obligation**. The nature and details of the business relationship established by this Master Agreement, and the business information regarding the other Party(ies) (the "**Disclosing Party**") to which a Party(ies) (the "**Receiving Party**") may become privy during the Term of this Master Agreement (collectively, the "**Information**") constitute confidential and proprietary information, the disclosure, copying, or distribution of which could result in competitive harm to the Disclosing Party. Each Party agrees to maintain the other Parties' Information in the strictest confidence and agrees not to disclose, copy, or distribute the other Parties' Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, subcontractors, and suppliers with a need to know the Information. The foregoing will not limit a Receiving Party, for purposes of marketing, from informing actual or potential Equalis Group Participants of the existence of a contractual relationship between the Parties. The Parties further agree that they will require that all of their employees, agents, subcontractors, and suppliers abide by the terms of these confidentiality obligations. The confidentiality obligations set forth in this section will continue in effect for the Term of this Master Agreement and for a period of two (2) years after the date this Master Agreement is terminated or expires.

b. **Exceptions**. Nothing herein will apply to any information (a) which is or becomes generally available to the public other than as a result of a disclosure by a Receiving Party or its representatives, (b) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party or its representatives, (c) which becomes available to a Receiving Party

on a non-confidential basis from a source other than the Disclosing Party or its representatives, provided that such source is not known to be subject to any prohibition against transmitting the information, (d) which is disclosed pursuant to an order of court; provided that in the event that proprietary information is disclosed or threatened to be disclosed pursuant to this clause (d), the Receiving Party will give the original Disclosing Party prompt, written Notice, as hereinafter defined, of such threatened disclosure and the right to defend against such disclosure, at Disclosing Party's expense, and provided further that the original Receiving Party will cooperate reasonably in such defense, or (e) which is subject to a Freedom of Information Act Request or other public records request to which a Party is, or may be, required to respond by applicable law.

2.7. **Indemnification**. Winning Supplier shall protect, indemnify, and hold harmless both CCOG and Equalis Group and its Members, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of Winning Supplier, Winning Supplier employees or subcontractors in the preparation of the solicitation and the later execution of the contract, including any supplemental agreements with Members.

2.8. **Notice & Opportunity to Defend; Limitations & Thresholds**.

a. **Notice; Opportunity.** If any Losses are asserted against an Indemnified Party, such Indemnified Party shall notify the Indemnifying Party as promptly as practicable and give it an opportunity to defend the same. The Indemnified Party shall reasonably cooperate with the Indemnifying Party in connection with such defense. In the event that the Indemnifying Party in connection with such claim fails to defend against the claim within thirty (30) days after Notice of such claim, the Indemnified Party shall be entitled to assume the defense thereof, and the Indemnifying Party shall be liable to repay the Indemnified Party entitled to indemnification for all its expenses reasonably incurred in connection with said defense (including reasonable attorneys' fees and settlement payments) until the Indemnifying Party assumes such defense. The attorneys prosecuting such defense on behalf of a Party must be acceptable to the Indemnified Party, which acceptance shall not be unreasonably withheld.

b. **Liability**. Notwithstanding any other provision of this Master Agreement, indemnity obligations entered into hereunder shall be due only to the extent of the Losses actually suffered by an Indemnified Party (i.e., reduced by any offsetting or related asset or service received and any recovery from any third party). The Indemnifying Party's insurance shall obtain all rights of the Indemnified Party against any third party with respect to any claim for which indemnity was paid.

2.9. **Winning Supplier Insurance**. During the Term of this Master Agreement, and for two (2) years following expiration or termination of this Master Agreement, Winning Supplier, at its own expense, shall maintain and shall require that its agents, subcontractors, and suppliers engaged in Winning Supplier's performance of its duties under this Master Agreement maintain general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of $1,000,000 per occurrence/$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, or expenses arising out of its performance under this Master Agreement, or any Appendix, and with respect to, or arising out of, Winning Supplier's provision of Products & Services to Program Participants. CCOG, Equalis, and their respective officers, directors, employees, and agents will be named as certificate holders on Winning Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring the giving of written Notice to CCOG and Equalis at least thirty (30) days prior to the cancellation, nonrenewal, and/or material modification of any such policies. Winning Supplier shall submit to Equalis within

ten (10) calendar days after the Effective Date of this Master Agreement, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Winning Supplier shall provide such valid certificates on an annual basis until the terms of this section are no longer applicable.

2.10. **Termination Rights**. The Parties shall have the termination rights set forth below.

a. **Insolvency.** If a petition in bankruptcy is filed by any Party, or if any Party is adjudicated as bankrupt, or if any Party makes a general assignment for the benefit of creditors, or if a receiver is appointed on account of the insolvency of any Party, then the other Parties, without prejudice to any other right or remedy, may terminate this Master Agreement upon giving at least five (5) business days prior written Notice of such termination.

b. **Mutual Consent**. This Master Agreement, or any Appendix, may be terminated at any time by the mutual written consent of the Parties.

c. **Breach**. In the event that any Party commits a material breach of its obligations under this Master Agreement, except for a payment obligation, the non-breaching Party(ies) may provide written Notice describing the material breach to the breaching Party. The breaching Party will have thirty (30) calendar days to cure such breach or provide acceptable reassurance to the non-breaching Party(ies), or, if the Parties agree that a cure or reassurance is not feasible within thirty calendar (30) days, such period of time for cure or satisfactory reassurance as the Parties may agree in writing. If the breach is not cured within such period or if satisfactory reassurance is not accepted by the non-breaching Party(ies) in such period, then the Party(ies) not in breach may terminate this Master Agreement upon ten (10) business days written Notice at the Addresses for Notices set forth in Appendix A.

2.11. **Effects of Termination**. Upon termination of this Agreement for any reason, all Customer Agreements entered into with Program Participants shall immediately terminate. Winning Supplier shall immediately cease any sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the date of termination, Winning Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect either directly or through some other contract vehicle. Following the date of termination, CCOG and Equalis shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or Equalis Group supplier partner.

2.12. **Audit of Winning Supplier**. CCOG and Equalis, whether directly or through an independent auditor or accounting firm, shall have the right to perform audits, including inspection of books, records, and computer data relevant to Winning Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, however, that such inspections and audits will be conducted upon reasonable notice to Winning Supplier and so as not to unreasonably interfere with Winning Supplier's business or operations.

2.13. **Force Majeure**. This Master Agreement will be temporarily suspended during any period to the extent that any Party during that period is unable to carry out its obligations under this Master

Agreement or the Appendices by reason of an Act of God or the public enemy, act of terrorism, epidemic or pandemic, fire, flood, labor disorder not caused by Winning Supplier, civil commotion, closing of the public highways not caused by Winning Supplier, government interference, government regulations, or any other event or occurrence beyond the reasonable control of the affected Party ("**Event of Force Majeure**"). No Party will have any liability to the other Party(ies) for a delay in performance nor failure to perform to the extent this Master Agreement or any Appendix is so temporarily suspended; provided that nothing contained herein shall apply to payment obligations with respect to obligations which have already been performed under this Master Agreement. If the provision of Products & Services are impeded due to an Event of Force Majeure, then Winning Supplier may apportion the provision of Products & Services among its present and future customers on a fair and reasonable basis after consulting with Equalis and the Program Participants potentially affected and in a manner that would not reasonably be expected to disproportionately affect Program Participants.

2.14. **Notices**. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder ("**Notice**") must be in writing and will be deemed given to the Addresses for Notices (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that the day-to-day business communications, including notification of a change of address, pricing updates, or revisions to any Appendix, may be made via electronic communication.

2.16. **Governing Law; Invalidity**. This Master Agreement shall be construed and enforced in accordance with, and governed by, the laws of the State of Ohio without regard to rules of conflict of laws. If any provision of this Master Agreement is declared unlawful or unenforceable by judicial determination or performance, then the remainder of this Master Agreement shall continue in force as if the invalidated provision did not exist. PROPOSAL FORM 19: C. 271 POLITICAL CONTRIBUTION DISCLOSURE FROM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html).

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
    a) The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html They will be updated from time-to-time as necessary.
    b) A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d) The form may be used "as-is", subject to edits as described herein.
    e) The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
    - of the public entity awarding the contract
    - of that county in which that public entity is located
    - of another public entity within that county
    - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity, and filing as continuing political committees, (PACs). When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts.
