016 BY RENUMBERING THE HAZARDOUS VEGETATION AND

CITY CODE AS CHAPTER 9-32

AGENDA ACTION: ORDINANCE INTRODUCTION

RECOMMENDATION

It is recommended that the Council introduce an ordinance to correct a clerical error in Ordinance ORD-2023-016, which was previously adopted by Council on December 12, 2023, to renumber the Hazardous Vegetation and Fuels Management Chapter as Chapter 9-32.

EXECUTIVE SUMMARY

This Ordinance is being brought forward to correct an inadvertent clerical error in Ordinance ORD-2023-016, which was adopted by Council on December 12, 2023, to renumber the Hazardous Vegetation and Fuels Management Chapter of the Santa Rosa City Code as Chapter 9-32.

BACKGROUND

On December 12, 2023, the City Council adopted Ordinance ORD-2023-016 adding Hazardous Vegetation and Fuels Management Chapter as Chapter 9-30 within the Santa Rosa City Code. Because Chapter 9-30 already existed in the City Code, it is recommended that the new Chapter be renumbered as Chapter 9-32.

Ordinance ORD-2023-016 specified that the Hazardous Vegetation and Fuels Management Chapter was to be codified as Chapter 9-30 within the Santa Rosa City Code. Because Chapter 9-30 already existed in the City Code, this Ordinance is being brought forward to Council to renumber the Hazardous Vegetation and Fuels Management Chapter as Chapter 9-32.
