The Santa Rosa Fire Department historically has utilized the Bureau of Labor Statistics (BLS), Bay Area, San Francisco/Oakland/San Jose Consumer Price Index – All Urban Consumers (CPI-U), which occurred over the prior year ending in April, as an appropriate cost escalator for annual fee increases. The use of this index is based on staffing costs, service and supply increases annually as a result of the cost of living in our geographical area.

\*The Fees set forth in this Exhibit shall be effective on July 22, 2025, and per approved City Council Ordinance adjusted each July thereafter, to reflect the percentage change in the Bureau of Labor Statistics San Francisco/Oakland/San Jose Consumer Price Index – All Urban Consumers (CPI-U) which occurred over the prior year ending April.
