

Santa Rosa Rapid Engineering Site Review

This form should be filled out within 72 hours of a fatal or severe injury collision for all modes of transportation, to the best of staff ability. All members of the KSI.Response.Team will gather at the site of the collision and the Vision Zero Coordinator (or alternate) will fill out this template to inform the Short.Internal.Crash.Review.Memo within 30 days. Purpose of this is to document conditions, the incident, and actively drive conclusions and next steps.
