**Subject:** [EXTERNAL] Agenda Item 4.1 & 12.2.1 SRTBIA Board Appointments  
**Date:** Monday, September 9, 2024 6:56:37 AM

---

Dear Mayor, City Council and City Manager,

The continuing concern is that the SRTBIA board does not have any representation from hosted or non-hosted short-term rental operators, nor does it have any representatives from the public.

The assessment, a tax, has little transparent oversight or accountability. SRTBIA's administration illustrates "taxation without representation".

Looking forward to being of service,

Eric Fraser, Managing Director
