12.2 Holidays shall be recognized within the workweek (Sunday through Saturday) during which they fall. If the holiday falls on an employee's Regular Day Off (RDO), the employee will normally recognize the holiday on the immediately preceding workday unless that would cause it to fall into a different workweek (Sunday through Saturday), in which case it will normally be recognized on the workday immediately following the holiday. However, an employee and their supervisor may agree to recognize a holiday which falls on a RDO on any regular workday in the same workweek (Sunday through Saturday).

12.3 Employees who are not on a paid status the day before and the day after a holiday shall not be paid for the holiday.

ARTICLE 13 **VACATION LEAVE**

13.3 Maximum vacation accrual is established at three (3) times the annual accrual rate. Any employee with a vacation balance at or above the cap will not accrue any additional vacation time until their balance falls below the cap.

13.4 Vacation scheduling shall be approved by the CITY prior to being taken with due regard for the employee's needs and the CITY's need to provide services. Employees working an alternative 4/10 shall record ten (10) hours for each day taken as vacation. 14.2 The vacation sell back option is only available once a calendar year for each employee.

14.2.1 To sell back vacation hours, the employee will enter on their time card the appropriate number of hours (whole hours only) they would like to sell back. The payout on the "sell back" hours will be made on the following paycheck.

14.2.2 There will be an open enrollment period in December of the preceding calendar year during which each employee must make an irrevocable election to "sell back" vacation accrual in the following calendar year. The number of hours that the employee will sell back must be indicated at that time. Failure to submit an irrevocable election form shall be the same as electing not to sell back vacation leave.

14.2.2.1 The sell back must be made by the first paycheck in December of the following year. An employee who has elected to sell back vacation but has not done so by the first paycheck in December will be automatically cashed out for the

number of hours elected (subject to the limits of Article 14.1) on the second paycheck in December.

ARTICLE 15 **SICK LEAVE**

15.3 There is no limit on the maximum hours of accumulated sick leave.

15.4 Sick leave shall not be considered as a right which an employee may use at their discretion and shall be allowed only in case of actual sickness or disability of employee or dependent or as authorized by State law.

15.5 Employees may use sick leave when they are unable to work because of disability due to a non-industrial sickness or injury.

15.6 No sick leave shall be payable for any sickness, disability or injury which results or occurs as follows:

1. Working for an employer other than the CITY.
2. During vacation unless the employee was confined to a hospital or other fixed location under written doctor's orders.
3. During a layoff, leave of absence or disciplinary suspension; and/or
4. After a termination date.

15.7 On taking sick leave time, employees shall notify their appropriate department either prior to or within one (1) hour after the time set for beginning daily duties or by another time specified by the CITY.

15.8 The CITY shall revoke pay and sick leave time and take appropriate disciplinary action if the employee is not using sick leave as authorized or has engaged in private or other public work while on sick leave.

15.9 The CITY may require an employee to provide a medical provider's statement verifying the employee's ability to return to work and any work restrictions prior

to permitting the employee to return to work following the use of any sick leave in accordance with the City's Personnel Rules and Regulations.

15.10 If an employee has not recovered by the time they have exhausted accumulated sick leave, a leave of absence, without pay, may be requested in writing according to City Policy.

15.11 Sick leave shall continue to be earned while an employee is on vacation or sick leave.

15.12 Sick leave shall not be used to extend a date of retirement; however, a miscellaneous employee, upon retirement, may convert their unused sick leave balance to service credit as provided by Government Code Section 20965.

ARTICLE 16 **SICK LEAVE – INITIAL PROBATIONARY PERIOD**

16.1 The City Manager, or the City Attorney for employees who report to the City Attorney, may allow a probationary employee up to forty-eight (48) hours or the FTE percent for regular part-time employees' sick leave with pay before it has been earned. An employee must exhaust all existing leave balances prior to receiving the sick leave advance. This article does not apply to promotional, extended or disciplinary probationary periods.

ARTICLE 17 **SICK LEAVE – FAMILY ILLNESS**

17.1 Employees may use hours of accumulated sick leave during the fiscal year for the illness or medical treatment of an immediate family member. For the purposes of this section, "immediate family member" is defined as an employee's child (including an employee's biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands *in loco parentis*), parent (including an employee's biological, adoptive, or foster parent, step parent, or legal guardian, or a person who stood *in loco parentis* when the employee was a minor child), spouse, domestic partner, the parent(s) of an employee's spouse or domestic partner, grandparent, grandchild, sibling or any other person provided by State law. With prior approval of the City Manager, or the City Attorney for employees who report to the City Attorney, employees may use hours of accumulated sick leave to care for other members of the household or family, or any other person provided by State law. The CITY may require an employee to provide a medical professional's statement which outlines the severity of the illness and expected duration of treatment.

ARTICLE 18 **SICK LEAVE – RETIREMENT BUYBACK**

18.1 Background: Executive Management employees who were hired prior to July 1, 2008 had one of two options for remuneration of accumulated but unused sick leave as follows:

18.1.1 Option One: In July of each year the CITY shall reimburse the employee for twenty-five percent (25%) of the immediate past fiscal year's earned but unused sick leave hours. Under this option, upon retirement all unused sick leave is converted to service credit; or

18.1.2 Option Two: All sick leave accumulates and upon retirement and completion of ten (10) years of employment with the CITY, the employee may receive payment for one-half (1/2) of any accumulated but unused sick leave up to a maximum of six hundred (600) hours and receive service credit for the remainder OR may choose to convert the entire balance of their sick leave to service credit.

18.1.3 Under either option, the value of unused sick leave is calculated at the regular hourly rate of pay at the date of the buyback.

18.1.4 Employees in Option Two made an irrevocable choice of remaining in Option Two or changing to Option One.

18.2 Implementation: Effective July 1, 2008 all new employees and all current employees who had previously chosen Option One shall be remunerated for all accumulated but unused sick leave as set forth below:

18.2.1 In July of each year the City shall deposit the financial equivalent of twenty-five percent (25%) of the employee's immediate past fiscal year's earned but unused sick leave hours into the individual Retiree Health Savings Plan account for said employee.

18.2.2 The financial equivalent of sick leave shall be calculated using the regular hourly rate of pay at the date of the buyback.

18.2.3 The remainder of the sick leave shall be accumulated and accounted for in the employee's sick leave balance.

18.2.4 Employees leaving CITY service prior to the end of the fiscal year shall have a deposit made to their Retiree Health Savings Plan account based on twenty-five percent (25%) of the total earned but unused sick leave for that fiscal year.

18.2.5 Upon retirement from the CITY, the remaining balance of their sick leave, if any, shall be converted to service credit according to PERS contract.

18.3 Effective January 1, 2010 all employees who remained in Option Two shall be remunerated as described in Article 18.1.3

18.4 Employees entering this unit from another unit, must switch to Option One. Employees switching to Option One shall have their total accrued sick leave as of the date of their entry into the unit remain in an Option Two bank which will be paid out upon retirement as described in Article 18.1.3. This amount shall be reduced by use of sick leave beyond that accumulated in the new Option One bank. Upon retirement, all sick leave not paid out shall be converted to service credit according to PERS contract.

ARTICLE 19 **SICK LEAVE DEATH BENEFIT**

19.1 If an employee dies, then all of the employee's accumulated sick leave shall be paid at the regular hourly rate of pay at the time of the employee's death. Such payment shall be made to the person named by the employee as beneficiary in the employee's CITY provided life insurance policy.

ARTICLE 20 **CATASTROPHIC LEAVE**

20.1 Catastrophic leave is a paid leave of absence due to life-threatening verifiable long-term illness or injury such as, but not limited to, cancer or heart attack which clearly disables the individual, as provided in the City's Catastrophic Leave Policy.

20.2 All regular employees of the City of Santa Rosa who have completed one (1) year in paid status shall be eligible for catastrophic leave due to their own catastrophic illness or injury or catastrophic illness or injury to spouse, qualified domestic partner, parent, child or child of employee's qualified domestic partner.

20.3 The employee must first exhaust all accrued sick leave, vacation leave, twenty (20) hour benefit portion of administrative leave, and compensatory time, if applicable, before qualifying for catastrophic leave. Once all accrued benefits have been exhausted and catastrophic leave has been granted, the employee shall not accrue any vacation or sick leave while using donated hours. If an employee returns to work on a part-time basis during their catastrophic leave, the employee shall accrue vacation and sick leave. Any such accruals will be banked. No new accruals, if any, may be used until all catastrophic leave credit has been exhausted.

20.4 Catastrophic leave shall be additional paid leave available from vacation, compensatory leave, administrative leave hours, floating holidays, or up to twenty-four (24) hours of sick leave in a fiscal year, donated by other CITY employees to a specific qualified employee.

20.5 Employees donating vacation, compensatory or administrative leave must donate in increments of whole hours. The donating employee must have a vacation leave balance of at least forty (40) hours after the donation of vacation time, and a sick leave balance of eighty (80) hours after donation of sick leave. Employees may donate all of their accrued compensatory time, administrative leave, or floating holiday time.

20.6 An employee requesting catastrophic leave must receive the recommendation and the approval of the City Manager or the City Manager's designated committee. Such leave may initially be approved up to a maximum of three hundred forty (340) donated hours. If the catastrophic illness or injury continues, up to an additional three hundred forty (340) donated hours may be recommended for approval. The maximum donation for part-time employees shall be the FTE percent.

20.7 If leave is granted, the CITY shall require the employee to provide medical information indicating the nature of the illness or injury, the prognosis and estimated date of return. In addition, the CITY shall require, prior to the employees' return to work, written approval from the employees' doctor to resume job duties. The CITY shall require an employee to sign a form authorizing release to the CITY of any and all medical information prior to granting catastrophic leave. If the department head determines that documentation of illness or injury and ability to return to work is unnecessary, the requirement to provide medical information and doctor's release may be waived.

20.8 Catastrophic leave may not be used to extend a date of retirement. Various Government Code sections stipulate the circumstances to initiate disability retirements. The CITY will comply with these provisions and other applicable Government Codes and PERS regulations.

20.9 Catastrophic leave shall not be used in conjunction with any long or short term disability benefits or Workers' Compensation leave.

20.10 The Finance Department shall account for the donation and disbursement of catastrophic leave hours. All time donated will be credited on an hour-for-hour basis regardless of hourly pay differentials between donating employee and recipient.

20.11 A catastrophic leave committee shall be appointed by the City Manager to administer the program.

ARTICLE 21 **INDUSTRIAL INJURY OR ILLNESS LEAVE**

21.1 Miscellaneous Employees:

21.1.1 Industrial injury or illness benefits shall be payable in situations where employee absence is due to industrial injury or illness as provided in California Workers' Compensation law and CITY policies.

21.1.2 Regular full-time employees may select one (1) of the two (2) plans outlined below to receive benefits upon suffering an industrial injury or illness. Employees who do not specifically choose one (1) of the two (2) plans shall be compensated in accordance with the CITY Supplemental Workers' Compensation Plan provided the employee has accumulated paid sick leave.

21.1.3 Regular part-time employees shall be compensated under the State Workers' Compensation Plan as outlined in Article 21.3.

21.2 City Supplemental Workers' Compensation Plan:

This plan supplements the State plan and provides:

21.2.1 The employee shall receive supplemental wages to ensure the pay is equivalent to take-home pay prior to the injury from the CITY during the time the employee has sufficient paid sick leave to supplement "temporary disability payments" as defined by law.

21.2.2 While on the supplemental plan, the employee's paid sick leave will be-charged at the rate of one-fourth (1/4) day for each day of absence.

21.2.3 Payments shall be based on a seven (7) day week in accordance with state law.

21.2.4 The employee will be paid and shall not be charged sick leave on the day of injury or for the subsequent three (3) days.

21.2.5 As required by CalPERS, the temporary disability portion and the supplemental portion of the payment shall not be "reportable" as income to PERS and not subject to PERS deductions. Any portion that is paid from the employee's sick leave is reportable income to PERS.

21.2.6 As required by state and federal regulations, the temporary disability portions of the payment are not taxable income.

21.2.7 During this time, vacation and sick leave shall accrue as if the employee were on full salary, the employee's qualified time off shall concurrently count toward Family and Medical Leave (FMLA) and California Family Rights Act (CFRA) and all benefits shall be paid in the same manner as before the injury.

21.2.8 Once sick leave is exhausted, compensation shall be made in accordance with the State Workers' Compensation Plan.

21.3 State Workers' Compensation Plan:

Employees who have no accumulated sick leave remaining or choose not to supplement their temporary disability shall use the State Workers' Compensation Plan. This plan is the State-wide plan which shall be strictly adhered to and provides:

21.3.1 The employee shall receive sixty-six and two-thirds (66-2/3%) of salary to a maximum prescribed by State law per week from the CITY workers compensation administrator.

21.3.2 No sick, vacation or holiday leave shall be charged, paid or accrued to the employee.

21.3.3 Temporary disability payments shall be based on a seven (7) day week or as prescribed by law.

21.3.4 No regular CITY salary shall be paid.

21.3.5 No compensation shall be paid for the day of injury or for the subsequent three (3) days unless the employee was hospitalized or lost time exceeds fourteen (14) days.

21.3.6 The City shall continue to pay health, dental, and vision premiums in the same manner as prior to the injury while the employee is receiving temporary disability and the employee shall continue to pay the employees' portion of the premium, for a period not to exceed twenty-four (24) months from the date of injury or from the first day off work due to the injury. After that time, the employee shall be responsible for paying the full insurance premiums.

21.3.7 Employees still considered to be temporarily disabled and no longer eligible for temporary disability under California law, may use any accumulated sick, vacation or other available leave.

ARTICLE 22 **BEREAVEMENT LEAVE**

22.1 Full-time employees shall be paid up to forty (40) hours of bereavement leave because of death in the immediate family. For the purposes of bereavement leave, immediate family shall mean the employee's spouse, qualified domestic partner, father, father-in-law, mother, mother-in-law, parents of employee's qualified domestic partner, brother, sister, child, step-child, child of qualified domestic partner, step-parents, grandparents, and grandchildren.
