

ORDINANCE NO. ORD-2025-015

ORDINANCE OF THE COUNCIL OF THE CITY OF SANTA ROSA REZONING 2,089
PROPERTIES TO IMPLEMENT THE EXISTING GENERAL PLAN LAND USE
DESIGNATION - FILE NUMBER PLN25-0393

WHEREAS, in March 2020, the City commenced the General Plan 2050 planning process for the purpose of preparing a comprehensive update to the City's adopted General Plan 2035; and

WHEREAS, on April 24, 2025, the Planning Commission held a public hearing at which time the Commission adopted resolutions recommending that the City Council (1) certify the Final Environmental Impact Report (Final EIR) and adopt the Findings of Fact and Statement of Overriding Considerations, and the Mitigation Monitoring and Reporting Program for the General Plan 2050 and (2) adopt the General Plan 2050 and associated Specific Plan amendments; and

WHEREAS, on June 3, 2025, the City Council held a public hearing at which time the Council adopted resolutions to (1) certify the Final Environmental Impact Report (Final EIR) and adopt the Findings of Fact and Statement of Overriding Considerations, and the Mitigation Monitoring and Reporting Program for the General Plan 2050 and (2) adopt the General Plan 2050 and associated Specific Plan amendments; and

WHEREAS, the General Plan 2050 identifies 26 parcels, included in Tables 3-2 and 3-3 of the General Plan 2050 Draft Environmental Impact Report (DEIR), for which amendments to the applicable zoning districts are necessary to ensure consistency with the adopted vision of the General Plan; and

WHEREAS, the General Plan 2050 assigns land use designations to all properties within the City's Urban Growth Boundary, and staff has identified 2,093 parcels where existing zoning is inconsistent with pre-2050 General Plan designations, requiring zoning map amendments for consistency; and

WHEREAS, California Government Code Section 65860 requires that the City's Zoning Ordinance is consistent with the General Plan; and

WHEREAS, following a duly noticed public hearing on September 25, 2025, the Planning Commission of the City of Santa Rosa adopted a resolution recommending City Council approval of Zoning Map amendments for 2,119 properties within City boundaries; and

WHEREAS, in response to concerns from the Memorial Hospital neighborhood, the Commission made a motion that the Council consider removing parcels along the south side of Parker Drive between Doyle Park Drive and Alderbrook Drive from the rezoning and direct staff to initiate a General Plan amendment to designate them as Low Density Residential; and

WHEREAS, since the Commission meeting, two additional property owners, one on Giffen Avenue and one at the shopping center at Highway 12 and Mountain Hawk, have raised concerns about rezoning inconsistencies between their current uses, zoning, and General Plan designations; and

WHEREAS, the total number of parcels proposed for rezoning has been reduced to 2,089, reflecting the removal of 30 parcels from the version previously reviewed by the Planning Commission.

THE PEOPLE OF THE CITY OF SANTA ROSA DO ENACT AS FOLLOWS:

Section 1. The Council finds, based on the evidence and records presented, that the Proposed Zoning Districts identified in Section 2 are appropriate for the properties listed below and Pursuant to City Code Section 20-64.050 (Findings), hereby finds and determines:

- A. The proposed amendments are consistent with the goals and policies of all elements of the General Plan 2050, and all applicable specific plans including the Downtown Station Area Specific Plan, the North Santa Rosa Station Area Specific Plan, and the Roseland Area/Sebastopol Road Specific Plan, in that the amendments would implement the existing General Plan land use designations for each of the affected properties.
- B. The proposed amendments would not be detrimental to the public interest, health, safety, convenience or welfare of the City in that they would implement existing General Plan uses which were established through a public process and reviewed by City staff members, decision makers, and analyzed in accordance with the requirements of the California Environmental Quality Act (CEQA).
- C. The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA). The General Plan 2050 Final Environmental Impact Report, which analyzes all potential impacts of Plan implementation including the proposed Zoning Map amendments, was certified by the Council on June 3, 2025, and no further review of the proposed amendments is required under CEQA (CEQA Guidelines § 15162). Additionally, CEQA Guidelines Section 15183 (i) exempts rezonings for consistency with the general plan from additional environmental review.
- D. The proposed amendments are internally consistent with other applicable provisions of the Zoning Code in that they create consistency between the General Plan land use designations and Zoning classifications as described in Table 2-1 (Zoning Districts) in Zoning Code Section 20-20.020.
- E. The sites are physically suitable (including absence of physical constraints, access, compatibility with adjoining land uses, and provision of utilities) for the requested zoning designations and anticipated land uses/developments.

Section 2. All conditions required by law having been satisfied and all findings with relation thereto having been made, Title 20 of the Santa Rosa City Code is amended by amending the “Zoning Map of the City of Santa Rosa,” as described in Section 20-20.020, so as

to change the classification of the following Assessor's Parcel Numbers to the Districts listed under Proposed Zoning:

Section 3. Environmental Determination. The Council finds that the adoption and implementation of this ordinance has been reviewed in compliance with the California Environmental Quality Act (CEQA). The General Plan 2050 Final Environmental Impact Report, which analyzes all potential impacts of Plan implementation including the proposed Municipal and Zoning Code amendments, was certified by the Council on June 3, 2025, and no further review of the proposed amendments is required under CEQA (CEQA Guidelines § 15162). In addition, CEQA Guidelines Section 15183 (i) exempts rezonings for consistency with the general plan from additional environmental review because an EIR for the General Plan 2050 was prepared and certified.

Section 4. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance is for any reason held to be invalid and/or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance.

Section 5. Effective Date. This ordinance shall take effect on the 31st day following its adoption.

This ordinance was introduced by the Council of the City of Santa Rosa on November 4, 2025.

IN COUNCIL DULY PASSED AND ADOPTED this 18th day of November, 2025.

AYES: (6) Mayor Stapp, Vice Mayor Alvarez, Council Members Bañuelos, Fleming, Okrepkie, Rogers
