- Windows and the door on the addition will be replaced to match the windows and door on the main dwelling.

- General Plan- Low-Density Residential
- Zoning- PD-0226-H

Project Location

- 1. The proposed changes are consistent with applicable zoning standards except as directed by Zoning Code Section [20-12.020](#);
- 2. Whether the proposed change implements the General Plan and any applicable specific plan;
- 3. The consistency of the proposed change with the original architectural style and details of the building;
- 4. The compatibility of the proposed change with any adjacent or nearby landmark structures or preservation district structures that have been identified as contributors to the respective district;

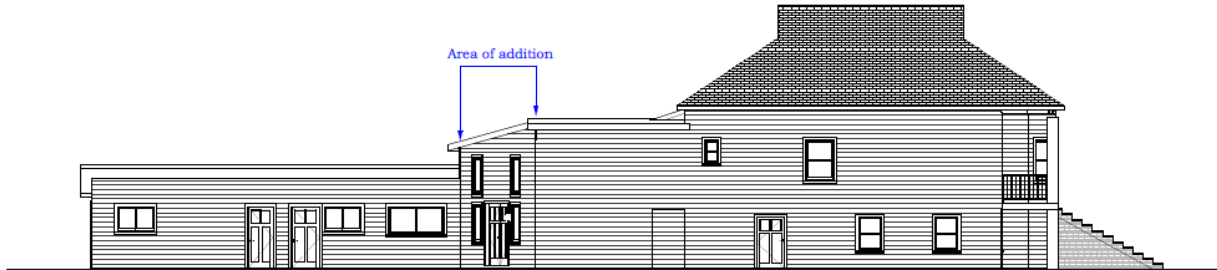

- 5. The consistency and/or compatibility of the proposed textures, materials, fenestration, decorative features and details with the time period of the building's construction;
- 6. Whether the proposed change will destroy or adversely affect important architectural features;
- 7. Consistency with applicable Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring and Reconstructing Historic Buildings (2017 Revision); and
- 8. Other matters, criteria and standards as may be adopted by resolution of the CHB.

Environmental Review

California Environmental Quality Act (CEQA)

- Qualifies for a Class 1 exemption under CEQA Guidelines Section 15301 in that the scope of work consists of a negligible expansion of the existing use.
