# “Operator in Good Standing”

- 1,000 foot rule does not apply.
- Original definition did not require paperwork to be filed before 12/3/21.
- Definition has changed in new ordinance, so overruling the denial of permit here DOES NOT affect new rule.
- Governments cannot implement important changes by silent indirection. *People v. Venice Suites, LLC*, 71 Cal. App. 5th 715, 733, 286 Cal. Rptr. 3d 598, 611 (2021), review denied (Feb. 23, 2022).
- Santa Rosa admits there was no prohibition on STR prior to emergency ordinance.

~~LO.~~ Operator in Good Standing. A Short-Term Rental Operator who was registered on or before October 27, 2021 to pay the City’s Transient Occupancy Tax (TOT) and Santa Rosa Tourism Business Improvement Area (BIA) assessments; who submitted a Short-Term Rental Permit application prior to December 3, 2021, that was subsequently approved; and who has not lost Operator in Good Standing status pursuant to any of the reasons provided for in Section 20-48.040(H)(1-4). ~~for those operators who were not registered for TOT and BIA assessments before October 7, 2021, has provided proof of prior operation of the short term rental during 2021.~~

# NOT a “New Operator” Subject to the 1,000 foot rule.

- My listing was registered before 10/27/21 as paying TOT, so not a New Operator.

~~II. New Operator. Any -Short-Term Rental owner who does not qualify as an Operator in Good Standing as defined herein. It was not registered on or before October 27, 2021 to pay the City's Transient Occupancy Tax (TOT) and Santa Rosa Tourism Business Improvement Area (BIA) assessments.~~

~~3. — New Non-Hosted Short-Term Rentals. After December 3, 2021, no non-hosted short-term rentals may be proposed within 1,000 feet from the property line of another existing or proposed non-hosted short-term rental.~~

# Owners cannot own more than one non-hosted STR

- Owner of 2220 Fremont appears to own more than one.

c. Maximum Short-Term Rental Permits per Owner. A Short-Term Rental Owner may maintain a maximum of one Hosted Short-Term Rental within city limits.

# 2220 Fremont Not Complaint with Firepit rules

a. Portable firepits and outdoor fireplaces shall not be located upon or within 10 feet of combustible vegetation including but not limited to grass, bark, and combustible mulches and shall not be within 10 feet of overhanging trees. Recreational ~~F~~fires, firepits and outdoor fireplaces, whether fixed or portable, shall be fueled only by natural gas propane ~~only~~ during the Santa Rosa Fire Department declared wildfire season.

c. Firepits shall have sides at least 12-inches high that completely encircle the fire container.

# 2220 Fremont Not Complaint with Lighting rules

3. Outdoor lighting. All exterior lighting shall be adequately shielded from adjacent properties to minimize light pollution impacts and shall comply with all other provisions of Section 20-30.080, Outdoor lighting.

# Property Right Take Away with out Due Process

- Recognized right to STR on property = a property right.
- Failure to Continue to Recognize Operation in Good Standing Status Without an Opportunity to Be Heard Is a Violation of My Due Process Rights – No reason to take property right way.
- 1,000 foot rule is arbitrary and capricious, and not narrowly tailored to advance the policies of the City.
- What does 1,000 feet across two highways accomplish that 950 or 900 feet doesn't?
- 2220 Fremont owner has more than one listing, and is not complaint with new rules (e.g., fire pit)

~~LE~~. Operator in Good Standing. A Short-Term Rental Operator who was registered on or before October 27, 2021 to pay the City's Transient Occupancy Tax (TOT) and Santa Rosa Tourism Business Improvement Area (BIA) assessments; who submitted a Short-Term Rental Permit application prior to December 3, 2021, that was subsequently approved; and who has not lost Operator in Good Standing status pursuant to any of the reasons provided for in Section 20-48.040(H)(1-4). ~~for those operators who were not registered for TOT and BIA assessments before October 7, 2021, has provided proof of prior operation of the short term rental during 2021.~~

The background features a light gray base with large, soft-edged organic shapes in muted red and olive green. A thin white line outlines a shape on the right. In the top left, there is a faint sketch of a leafy branch.
