**RESOLUTION OF THE ZONING ADMINISTRATOR OF THE CITY OF SANTA ROSA
APPROVING MINOR DESIGN REVIEW FOR BOYS AND GIRL'S CLUB PARKING
LOT IMPROVEMENTS AND ROOF MODIFICATIONS FOR THE PROPERTY
LOCATED AT 1011 HAHMAN DRIVE SANTA ROSA, APN: 013-110-026, FILE NO.
DR22-014**

WHEREAS, the Santa Rosa Zoning Administrator has completed review of the Minor Design Review application to allow the proposed project described above; and

WHEREAS, the Minor Design Review approval to allow the proposed project is based on the project description and official approved exhibit date stamp received April 5, 2022; and

WHEREAS, the applicant submitted a revised site plan to clearly show the work that was already done; and

WHEREAS, the matter has been properly noticed as required by Section 20-52.030.H.2.a and no request for a public hearing has been received;

NOW, THEREFORE, BE IT RESOLVED that in accordance with Section 20-52.030.I, the Zoning Administrator of the City of Santa Rosa finds and determines that:

1. The design and layout of the proposed development is of superior quality, and is consistent with the General Plan, any applicable specific plan, applicable Zoning Code standards and requirements, the City's Design Guidelines, architectural criteria for special areas, and other applicable City requirements (e.g., City policy statements and development plans) in that a meeting facility is a permitted use within the General Commercial zoning district;
2. The design is appropriate for the use and location of the proposed development and achieves the goals, review criteria and findings for approval as set forth in the Framework of Design Review in that the proposed modifications new siding will harmonize with the residential uses and church to the east of the property ;
3. The design and layout of the proposed development will not interfere with the use and enjoyment of neighboring existing or future developments in that the new parking lot is designed to mitigate traffic on Hahman Drive, and the new design has a trash enclosure, which helps with cleanliness of the area;
4. The architectural design of the proposed development is compatible with the character of the surrounding neighborhood in that the new siding cover is more compatible with other structures, and the raised roof will enhance the existing meeting facility building;
5. The design of the proposed development will provide a desirable environment for its occupants, visiting public, and its neighbors through the appropriate use of

materials, texture, and color and would remain aesthetically appealing and be appropriately maintained in that the redesigned parking lot improves traffic flow, and the addition of the vaulted volumetric space at the entry level along with the new clerestory windows will enhance the existing meeting facility;

6. The proposed development will not be detrimental to the public health, safety, or welfare or materially injurious to the properties or improvements in the vicinity in that proposed improvements to roof, windows, and parking lot have been reviewed by requisite City departments and has been conditioned to address any potential impacts to neighboring properties;
7. The project has been found in compliance with the California Environmental Quality Act (CEQA). Pursuant to CEQA Guidelines Section 15301, the project is categorically exempt from CEQA because it involves minor modifications to an existing facility, with no expansion of use.

This entitlement would not be granted but for the applicability and validity of each and every one of the below conditions and that if any one or more of the below conditions is invalid, this entitlement would not have been granted without requiring other valid conditions for achieving the purposes and intent of such approval. The approval of the project is contingent upon compliance with all the conditions listed below. Use shall not commence until all conditions of approval have been complied with. Additional permits and fees are/may be required. **It is the responsibility of the applicant to pursue and demonstrate compliance.**
