Subject: [EXTERNAL] Alcohol Sales for 7-11 on College

Good afternoon Ms Murray,

Thanks for receiving comments about this matter.

I do not want the 7-11 located at 136 College Ave to be allowed to sell alcohol.

I live on Ripley St located behind the 7-11. Ripley St serves as a pedestrian and bike route for many of Santa Rosa's homeless residents. Likely passing from shelters to services and back again. Ripley is a nice neighborly little street that is experiencing a growing rate of petty theft, public drug transactions and bizarre behaviors related to intoxication combined with psychiatric issues.

Please do not allow another location that sells alcohol at the end of our street exacerbating these problems,

Robin North

938 Ripley St

Subject: [EXTERNAL] Alcohol Sales at 7-Eleven CUP22052

Good Morning Ms. Murray,

I do not think the 7-Eleven at 136 College should sell alcohol.

It is the last store before a freeway entrance, making drinking and driving more accessible.

Alcohol sales will make the location a more attractive hangout for our homeless population. The store backs up on Ripley street where it dead-ends onto College and the area is already problematic having had people camping there in the past. The market on 9th and Wilson sells alcohol and people hang out on the corner day and night. We don't need that on our mostly quiet residential street.

Railroad Square and the surrounding areas have a number of homeless service centers which brings this troubled population to the neighborhood. Ripley street is a pedestrian and bike thoroughfare for people seeking these services. There doesn't need to be even more access to alcohol here.

Thank you,

Robin North
